- Step 1: Admission:** Fill out the entire Student Information Form and submit either in person, by mail, or at www.centralaz.edu. A student ID card is required for all transactions at Central Arizona College. There is no charge for the first ID; there is a replacement fee of \$10.
- Step 2: Orientation:** The College requires completion of assessment (placement testing) in the areas of writing, reading, and mathematics prior to meeting with an advisor and registering. Assessment is used to place students in English, math, and other courses based on test scores which have identified minimum skill levels. Orientation is strongly recommended for new students in order to become acquainted with the nature, purpose, services, activities and resources of the College. Call the campus nearest you to register for an orientation.
- Step 3: Advisement:** All students pursuing a degree or certificate or enrolling in a course with a prerequisite, must meet with an advisor prior to registration. If you have attended a prior college, bring copies of your transcripts to your advising session.
- Step 4: Registration:** Students must complete an official registration form in order to be officially enrolled in classes. Registration dates are published in each semester's class schedule. Contact the Registration Office for additional information. Changes in a student's schedule, such as dropping or adding classes, may be accomplished on-line at www.centralaz.edu or in person.
- Step 5: On-Campus Housing:** (available only at the Signal Peak Campus.) Complete a housing application, pay the \$100 deposit and provide proof of immunizations to the Residence Life Office or at 520-494-5470. Students interested in on-campus housing must apply early for a guaranteed assignment.
- Step 6: Fee Payment:** Payment of all tuition and fees is required at the time of registration. Fee payment may be made in person, mailed to one of the campuses or online at www.centralaz.edu. Students from Apache, Gila, Greenlee, or Santa Cruz counties must submit an Out-Of-County Affidavit form. Payment arrangements are available through FACTS management at www.centralaz.edu.

All the information on this form is confidential and in compliance with the Family Education Rights and Privacy Act of 1974. The Act's provisions are explained in the College Catalog.

- * Students will be assigned a unique student identification number. Students should be aware that a correct Social Security number must be on file for reporting information pertaining to potential tax credits and must be used by applicants for federal and state aid. Failure to provide a correct social security number may preclude the determination of eligibility for financial aid and tax credits for tuition.
- ** Voluntary information is used to comply with Federal reporting and has no effect on admission to the college. This information will not be used for any discriminatory purposes.
