These questions are asked for the purpose of determining tuition and fees. State law now requires that a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or entitled to classification as a county resident pursuant to A.R.S. 15-1802.01. Failure to answer questions may result in being classified as out-of-state for tuition and fees purposes. The responsibility of registering under the proper residency classification is placed upon the student. Any student who falsified his/her residency may be subject to dismissal from the college and/or criminal action. Refer to the college catalog for residency guidelines.
