

Central Arizona College Athletic Department

Vaqueros/Vaqueras

Home of 36 National Championships

Central Arizona College (CAC) is a member of the National Junior College Athletic Association (NJCAA) and competes in Region 1-Division 1 and the Arizona Community College Athletic Association (ACCAC). CAC currently has 10 athletic programs-five men and five women. These teams include baseball, men's and women's basketball, men's and women's cross country, men's and women's rodeo (which are members of the National Intercollegiate Rodeo Association/Rocky Mountain Division), softball, and men's and women's track and field. The 11th program, women's volleyball, will rejoin the department and begin competition in 2011.

Our student-athletes come from all over the world with the largest numbers from Arizona and the western United States. Most of our student-athletes receive some form of financial aid-athletic, institutional, or federal. Our student-athletes graduate and move on to four year schools. Many of our student-athletes are in our college Honors Program. Success is seen both in the classroom and in competition.

For more information, contact Judy Miller at 520-494-5300.

National Championship teams and year:
