

# PINAL COUNTY COMMUNITY COLLEGE DISTRICT EMPLOYEE BENEFIT TRUST

## To All Covered Plan Members

The "PINAL COUNTY COMMUNITY COLLEGE DISTRICT EMPLOYEE BENEFIT TRUST", hereinafter called the Plan, assures the Covered Plan Members during the continuance of this Plan, that all benefits hereinafter described, shall be paid to them or on their behalf in the event the Covered Person incurs covered expenses as defined herein.

This Plan is subject to all the terms, provisions, conditions, and limitations stated on the pages hereof.

This revised Plan of benefits for the Pinal County Community College District Employee Benefit Trust (PCCCDEBT), became effective as of 12:01 a.m. Mountain Standard Time on July 1, 2010.

Your Benefit Plan has been designed with many cost containment features to ensure that coverage can continue to be provided to you at a reasonable cost. You can assist in controlling costs by using this Plan and medical services responsibly and effectively. Some of the ways you can help are:

- Receive approval from American Health Group prior to receiving services that require pre-certification.
- Receive care from a provider in the PPO network to maximize your benefits.
- Have surgery and x-ray/laboratory work done on an outpatient basis whenever possible.
- Use hospital emergency rooms only in the event of a serious medical emergency.
- Audit all Hospital and Physician billings and the Explanation of Benefits to be sure you and the Plan have only been billed for the services you received.

### **IT IS YOUR RESPONSIBILITY TO UNDERSTAND YOUR COVERAGE**

Choices that you make, or that are made on your behalf on account of a referral by your physician which result in non-contracted charges or medically unnecessary care that is not payable by the Plan are YOUR responsibility.

A referral from a contracted provider to any non-contracted provider (i.e., laboratory, radiology, physician, etc.) does NOT make the claim from the non-contracted provider payable at the contracted rate.

Your Benefits Department and the Plan's Claims Administrator are available to answer questions and assist you in exploring options for coverage, but ultimately it is your responsibility to understand this Plan.

**TAKE CARE OF YOURSELF.** Eat right, control your weight, exercise, stop smoking, never drink and drive, and always wear your seat belt. Good habits will help you live a long, happy life and will save you money too!

## PREFERRED PROVIDER ORGANIZATIONS (PPO)

The Pinal County Community College District medical plan has incorporated the BlueCross BlueShield of Arizona (BCBSAZ) Preferred Provider Organization (PPO) as part of the benefit design.

A PPO is a group of hospitals, physicians, and other health care providers contracted to furnish medical care at negotiated rates. Use of PPO providers is referred to as "In-Network". By receiving your care and services from a provider in the network, you will receive a higher level of benefits and therefore have less out-of-pocket expense.

When you need medical care select a provider from the applicable PPO directory and verify the provider's current status as a network provider. Your ID card identifies the PPO network and it should always be presented when obtaining services. The "In-Network" provider will submit your claim to AEI for payment consideration. AEI will process your benefits at the appropriate level and send you an "Explanation of Benefits" showing the payment calculation and the amount of "patient responsibility."

Current network provider information can be obtained at [www.azblue.com](http://www.azblue.com). The benefits payable to providers outside the network are lower, and therefore the amount you are responsible to pay will be greater.

If the need for emergency medical care occurs while outside the PPO area, services may be considered under the PPO "In-Network" Schedule of Benefits if determined by the administrator that immediate medical attention was required due to an accident or illness which is serious enough to constitute a life threatening "emergency" as defined in this document.

**If your PPO physician needs to send you to another physician or admits you to a hospital, be sure that you are referred to a provider that participates in the applicable PPO network.**

BlueCross® BlueShield® of Arizona, an independent licensee of BlueCross BlueShield Association, provides network access only and does not provide administrative or claim payment services and does not assume any financial risk or obligation with respect to claims. No network access is available from BlueCross BlueShield plans outside of Arizona.

## MEDICAL REVIEW / PRE-CERTIFICATION

This Plan has contracted with American Health Group (AHG) to provide medical review and pre-certification of selected services. AHG will review proposed medical services to determine their medical necessity and appropriateness. It is always up to you and the physician you choose to determine what services you need and who will provide your care, regardless of what this Plan will pay for.

This program is designed for cost containment to maximize the Plan benefits and reduce unnecessary services. Once a pre-certification is received, it is valid for ninety (90) days. Failure to comply with the pre-certification requirements will result in a twenty percent (20%) reduction in benefits (up to a maximum of \$1,000), or may disqualify the Covered Person for benefits. (Note: Pre-certification penalties do not count towards any out-of-pocket maximums.)

**Important: Pre-certification of a procedure does not guarantee benefits. All benefit payments are determined by Administrative Enterprises, Inc. in accordance with the provisions of this Plan.**

1. *Pre-certification is required on the following:*

All Hospital admissions or admissions to any type of medical facility  
Diagnostic tests and surgical procedures over one thousand dollars (\$1,000)  
Psychological and Neuropsychological testing  
Therapy treatment programs; ie: Physical Therapy, Speech Therapy, Occupational Therapy etc.

2. *Procedure for obtaining pre-certification:*

- a. For all non-emergency procedures that require pre-certification, the Covered Person or his/her Physician must contact AHG prior to the admission or in advance of the procedure. It is recommended that pre-cert is requested at least seventy-two (72) hours in advance. AHG will review the request for services and contact the Physician for any records or additional information necessary to thoroughly evaluate the need for services. Benefit eligibility for the pre-certified procedures must be verified with AEI prior to completing services
- b. For emergency procedures or hospital admissions, the Covered Person, his/her Physician, the hospital admissions clerk, or anyone associated with the Covered Person's treatment, must notify AHG by telephone within forty-eight (48) hours of the procedure or the admission.

3. *Second Surgical Opinions*

Before approval of a requested surgical procedure, AHG may require the Covered Person to obtain a second opinion. AHG will provide the Covered Person with the name of one or more Physicians that can provide the second opinion.

4. *Case Management*

In certain complex medical situations case management may become necessary. A case manager will be assigned to work with the patient, the family, the Physician and the claims payor to coordinate an effective treatment plan.

5. *Appeal / Reconsideration Procedures*

You may appeal any recommendation made by this medical review program. The appeal must be made in writing directly to American Health Group. You can expect a response within thirty (30) days of your request unless it is necessary to obtain additional medical records. If this appeal is denied, you may follow the appeal process as outlined in Article XIII.

## ELIGIBILITY / EFFECTIVE DATE

**2.01 Eligible Employee:** All regular full-time employees of Central Arizona College are eligible, provided they work at least forty (40) hours per week on a regular basis at their customary place of employment and perform all of the duties of their employment. Elected Governing Board Members, employees on an approved sabbatical from the College, and any employee who is approved by the College Governing Board to receive benefits, for the purpose of this Plan, are considered eligible employees.

**2.02 Initial Enrollment:** All new employees will be covered on the first day of the month following the date of full-time employment, provided proper enrollment has been made and any required contributions have been authorized. Employees who were covered under this Plan during the previous school year and have been rehired for the current school year will be considered continuously Covered Employees. Elected Governing Board Members become eligible on the first day of the month following the date they are "sworn in."

**2.03 Retired employees are eligible to continue under the Plan provided:**

- a) They have met the terms and conditions of retirement from Central Arizona College; and
- b) They (and/or their dependents) were covered under the Plan on the day before retirement; and
- c) The Retiree (and/or their dependent) is under age sixty-five (65); and
- d) Any required contributions have been made.

**2.04 Eligible Dependents:** Eligible dependents shall include a Covered Employee's:

- a) Lawful spouse (not common law spouses) to whom the Covered Employee is married pursuant to and as permitted by Arizona law, provided they are not legally separated;
- b) Unmarried children, including legally adopted children (from the date of placement in the employee's home for the purpose of adoption), until their nineteenth (19th) birthday. The following children will also be considered as eligible dependents provided their primary residence is with the **employee**, and the employee or the employee's spouse is legally responsible to provide medical care:
  - 1) Stepchild;
  - 2) Lawfully placed foster child for whom coverage is not available through a state agency;
  - 3) A child who is under the legal guardianship of the employee substantiated by a court order.
- c) Unmarried children nineteen (19) years of age but less than twenty-four (24) years of age, provided they are a full-time student (as defined by the institution they are attending) in high school, at an accredited university, college, vocational or other institution of higher learning, and they are dependent upon the employee for principal financial support. If a dependent student has completed the spring semester at their school, eligibility will continue through the months of June, July and August, however if a student graduates they are no longer an eligible dependent and coverage ceases at the end of the month in which they graduate. Documentation of student status will be required by the Claims Administrator before benefits will be considered.
- d) Any dependent, who is an eligible dependent because they are a full-time student under section 2.04(c), is entitled to extended coverage, if they are on a "medically necessary leave of absence" and if they were enrolled in the Plan on the basis of being a full-time student immediately before the first day of the leave of absence, until the sooner of:
  - 1) One year from the start of a medically necessary leave of absence, or
  - 2) The date of coverage would otherwise terminate under the terms of the Plan.A "medically necessary leave of absence" means a leave of absence from a postsecondary educational institution or any other change in enrollment at that postsecondary educational institution that:
  - 1) Commences while the child is suffering from a serious illness or injury;
  - 2) Is medically necessary; and
  - 3) Causes the child to lose student status for purposes of coverage under the terms of the Plan.

To be eligible, and before being eligible, the dependent's treating physician must provide written certification to the Plan that the dependent is suffering from a serious illness or injury requiring a "medically necessary leave of absence."

**2.05 Dependents Effective Date:** If an employee has eligible dependents when his or her coverage begins, dependent coverage will begin on the same day as the employee's provided proper enrollment has been made and any required contributions have been authorized.

**2.06 Handicapped Dependents:** An unmarried child who has reached the specified age limit will continue to be eligible if the child is:

- a] Incapable of self-support due to a mental or physical disability; and
- b] Became so handicapped prior to the attainment of age nineteen (19), or age twenty-four (24) if they were a full-time student; and
- c] The Plan is provided with proof of the child's disability and continued dependency within thirty-one (31) days prior to termination of the child's dependent status.

The Plan may require the Covered Employee to obtain a Physician's statement certifying the physical or mental disability prior to approval and at reasonable intervals thereafter.

**2.07 Eligibility Restrictions:** An employee may not be covered under this Plan as both an employee and as a dependent. If both a husband and a wife are Covered Employees, dependent children can be covered under this Plan by either parent, but **not** by both parents. An employee may not enroll their dependents without enrolling themselves in the Plan.

**2.08 Newborn Dependents:** Newborn children will be covered from the time of birth for necessary medical care **only if:** a) the employee is carrying dependent coverage on the date of the baby's birth, or b) enrollment for dependent coverage is made *prior* to the baby's birth, or c) enrollment is made and required contributions are authorized within thirty-one (31) days of the date of birth. When enrolling for the dependent coverage, coverage is effective from the baby's date of birth and contributions for the dependent coverage are required beginning the first day of the month following the date of birth. "Routine" newborn charges incurred at a Hospital (DRG 795) at the time of birth will be considered under the mother's coverage and paid as part of the mother's claim, whether or not dependent coverage is in effect.

**2.09 OBRA/QMCSO:** This Plan adheres to the Federal OBRA and Qualified Medical Child Support Orders (QMCSO), rules and regulations. If an employee's separated or divorced spouse or any state child support or Medicaid agency has obtained a QMCSO, the employee will be required to provide coverage for any child(ren) named in the QMCSO. If a QMCSO requires that the employee provide health coverage for his/her child(ren) and the employee does not enroll them, the employer must enroll the child(ren) upon application from the separated/divorced spouse, the state child support agency or Medicaid agency and withhold from the employee's pay the cost of such coverage. The employee may not drop coverage for the child(ren) unless the employee submits written evidence that the QMCSO is no longer in effect. The Plan may make benefit payments for the child(ren) covered by a QMCSO directly to the custodial parent or legal guardian of such child(ren).

**2.10 Late Enrollment:** Employees and dependents that do not enroll for coverage within thirty-one (31) days of their eligibility date are called late enrollees and subject to an eighteen (18) month Pre-Existing Condition limitation. If an employee does not enroll themselves or their dependents within the thirty-one (31) days following their initial eligibility date, they cannot enroll in this Plan until the College's next open enrollment period. Excluded from this provision are certain *family status changes* if enrollment is made within thirty-one (31) days of the event.

**2.11 Reinstatement / Rehire:** If an Employee returns to active employment and eligible status following and approved leave of absence in accordance with Central Arizona College's guidelines and the Family Medical Leave Act (FMLA), and during the leave the Employee discontinued paying his share of the cost of coverage causing coverage to terminate, such Employee may have coverage reinstated (for himself and any Dependents who were covered at the point contributions ceased). However the Employee must request that coverage be restored before his leave expires. No waiting period requirement will be applied and the pre-existing condition limitation will apply only to the extent it may have applied on the date coverage terminated.

**2.12 Open Enrollment:** The College provides an annual open enrollment period during which employees may change their plan options and may add or drop dependents to the Plan. All new plan members are subject to the pre-existing limitation as described in Article VI.

**2.13 Special Enrollments due to Loss of Other Coverage:** Individuals that do not enroll in the Plan during their initial eligibility period or open enrollment period because at the time they have other creditable coverage, and then they subsequently lose that coverage as a result of certain events such as termination of spouse's employment, loss of eligibility for coverage, expiration of COBRA coverage, reduction in the number of hours of employment, or employer contributions towards such coverage terminates, may now enroll in this Plan. Enrollment in this Plan must be completed within thirty-one (31) days of coverage termination from the other Plan. Coverage under this Plan will become effective on the first of the month following receipt of the enrollment with Central Arizona College. Failure to enroll under this Special Enrollment provision means you must follow the Late Enrollment provisions to enroll in this Plan.

**2.14** Change of Status: If the Plan Member has any of the following qualifying change of status situations during the year, the Plan Member will be allowed, to make a change in their coverage selections and change who is covered under the medical coverage, provided the change is made within thirty-one (31) days of when the status change occurred:

- a) Change in legal marital status: Marriage, divorce, legal separation, annulment, death of spouse.
- b) Change in the number of dependents: Birth, adoption, or death of dependent child.
- c) Change in employment status or work schedule: Start or termination of employment or change in employment status of the employee, their spouse or their dependent child.
- d) Dependent satisfies or ceases to satisfy eligibility requirements for coverage on account of attainment of age, student status, or any similar circumstance.
- e) Change of residence or worksite: If the change impairs the Plan Member's ability to access the services of In-Network providers.
- f) Change required under the terms of a Qualified Medical Child Support Order (QMCSO).
- g) Eligibility for or cancellation of coverage under Medicaid, Medicare, or the Children's Health Insurance Program (CHIP).
- h) Increase in the cost of the benefits.
- i) Significant changes in the benefits.
- j) Changes in spouse's or dependent's coverage through their employer.

Three rules apply to making changes to the benefit selections during the year, otherwise the eligible employee or dependent will have to wait until Open Enrollment to make any change in the coverage:

- a) Any changes to be made to the benefit selections must be necessary, appropriate to, and consistent with the change in status, and approved as such by the Plan Administrator or its designee; and
- b) The Plan must be notified in writing within thirty-one (31) days of the qualifying change in status.
- c) For changes in status related to 2.14(g) in this Section, the Plan must be notified in writing within sixty (60) days of the qualifying change in status.

Except for newborns and newly adopted children, anyone enrolling under this provision will be subject to the pre-existing limitation. If the enrollment is not completed within thirty-one (31) days, they will be considered "late enrollees" and will be subject to the longer pre-existing limitation as defined in Article VI, Section 6.02.

**2.15 FMLA:** In accordance with the "Family and Medical Leave Act of 1993" (FMLA), qualified employees are entitled to unpaid leave and can continue to maintain coverage under this Plan for the duration of the leave. During the leave, Central Arizona College will continue Plan contributions for the employee on the same terms as prior to the beginning of the leave. The employee is responsible for making the required monthly premium contributions for dependent insurance.

**2.16 USERRA:** The Uniformed Services Employment and Reemployment Rights Act (USERRA) may entitle qualified employees to continue their coverage. If called to active military service for up to thirty-one (31) days, coverage under this Plan will be continued. If called to active military service for a period exceeding thirty-one (31) days, coverage may be continued for up to twenty-four (24) months. The cost of this continuation of coverage will be the financial responsibility of the Plan Member.

Employees who return to active employment following active duty service as a member of the United States Armed Forces will be reinstated to coverage under the Plan immediately upon returning from military service.

Any questions regarding USERRA should be directed to Central Arizona College.

**2.16** If a Covered Person's eligibility ceases due to certain Qualifying Events, the individual may be eligible for continuation of coverage under COBRA as defined in Article IV.

## TERMINATION

- 3.01** Employee coverage under this Plan shall terminate at midnight on the earliest of the following:
- a] The date of termination of his/her employment, or termination as a Governing Board Member;
  - b] The date the Employee ceases to be in a Class of employees eligible for coverage;
  - c] The due date the Employee fails to make any required contributions;
  - d] The date this Plan is discontinued with respect to the Employer;
  - e] The date the Fund or Plan terminates;
  - f] The date the employee voluntarily elects to be terminated from the Plan due to a qualifying event.
- 3.02** A Retiree's coverage under this Plan shall terminate at midnight on the earliest of the following:
- a] The due date the Retiree fails to make any required contribution;
  - b] The date this Plan is discontinued with respect to the employer;
  - c] The date this Plan or Fund terminates;
  - d] The date the Retiree voluntarily elects to terminate from this Plan; or
  - e] The date the Covered Retiree turns age sixty-five (65).
- 3.03** A dependent's coverage under this Plan shall terminate at midnight on the earliest of the following:
- a] The date the Employee or Retiree's coverage terminates;
  - b] The date ending the period for which the last contribution is made for the dependent coverage;
  - c] The date of termination of all or any dependent coverage under this Plan;
  - d] The date on which he/she ceases to be an eligible dependent as defined under this Plan;
  - e] The date the dependent becomes eligible for coverage as an Employee; or
  - f] The date the dependent spouse of a Covered Retiree turns age sixty-five (65).
- 3.04** At the sole discretion of, and at the election of the employer, termination of this Plan shall automatically occur upon the first day following thirty (30) days written notice of termination of the Plan.
- 3.05** In addition to the above stated termination provisions, continued coverage under COBRA ceases for a "Qualified Beneficiary" according to the COBRA termination rules in Article IV.
- 3.06** Upon termination of coverage, this plan will issue the terminated Plan Member a "Certificate of Creditable Coverage" that indicate the dates the Plan Member had coverage under this plan.

# ARTICLE IV

## CONTINUATION OF COVERAGE (COBRA)

The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) requires that employers provide for the temporary continuation of group health coverage to "Qualified Beneficiaries" enrolled in the Plan, whose coverage ends as a result of a specified "Qualifying Event". A Qualified Beneficiary's coverage under COBRA will generally be identical to the coverage that he/she had immediately before the Qualifying Event. Any modification to the Plan that affects active employees will also affect COBRA participants. Qualified Beneficiaries will have the same enrollment and election change rights as active employees. For additional information on COBRA continuation coverage, rights, and obligations, contact Central Arizona College or Administrative Enterprises, Inc., the Contract Administrator.

This Article serves as notice to all Plan Members of their rights and obligations under the Federal COBRA continuation of coverage regulations.

### **4.01 QUALIFIED BENEFICIARY**

Active employees and their spouses and dependent children become Qualified Beneficiaries if they were covered under this Plan on the day preceding a "Qualifying Event." A child who is born to or who is placed for adoption with a Qualified Beneficiary during a period of COBRA continuation can be enrolled in this Plan for the time frame remaining for any other dependents covered under COBRA.

### **4.02 QUALIFYING EVENT**

A Qualifying Event occurs for a Covered Employee and his/her Covered Dependents:

- a) If the employee is terminated for any reason other than gross misconduct;
- b) If the employee is made ineligible due to a reduction in work hours which puts him/her below the minimum hour requirements stated in the eligibility section of the Plan.

A Qualifying Event also occurs for a Covered Spouse and Covered Dependent Children when it is due to:

- a) Death of the Covered Employee;
- b) Divorce or legal separation from the Covered Employee;
- c) The Covered Employee becomes entitled to Medicare;
- d) The Covered Dependent no longer satisfies the Plan's definition of an eligible dependent.

### **4.03 NOTIFICATION AND ELECTION**

The employer must notify the employee of the right to continued coverage when the employee is first covered under the Plan (which is included in the new employee information packets), and the information must be included in the Summary Plan Description.

The Covered Employee or Qualified Beneficiary must notify Central Arizona College or the Claims Administrator in writing of a marriage, a divorce, a legal separation or the addition of a child within thirty-one (31) days of the event. The Plan must be notified within sixty (60) days when a child loses their dependent status under this Plan, or when a Qualified Beneficiary becomes eligible for Medicare. Failure to provide this notification within the required time limits will result in loss of COBRA rights. The Employer/Contract Administrator then must notify the appropriate Qualified Beneficiaries of their right to continue coverage within fourteen (14) days. Notice by first-class mail to the beneficiary's last known address satisfies this requirement.

The Covered Employee or Qualified Beneficiary must make the decision to continue coverage and return a completed election form within sixty (60) days of the Qualifying Event or within sixty (60) days of the date the notification of COBRA rights was provided, whichever occurs later, or else the individual forfeits their right to COBRA coverage. A parent or legal guardian may elect COBRA coverage for a minor child.

#### **4.04 DURATION OF COVERAGE**

The maximum period of continued coverage will be as follows (subject to modifications and changes in the Federal COBRA regulations):

- a) Employees and Qualified Beneficiaries who lose their coverage due to employment termination (for other than gross misconduct) or reduction of hours worked that makes them ineligible for coverage, are allowed continuation of coverage for a maximum period of eighteen (18) months.

If a Covered Employee or Covered Dependent is entitled to the eighteen (18) months of COBRA, that period can be extended for an additional eleven (11) months if a Qualified Beneficiary is determined to be entitled to Social Security disability benefits.

The eleven (11) month extension is available to all the Qualified Beneficiaries in the family who have elected COBRA coverage (not just the disabled person). The following conditions must be satisfied:

- 1) The disability occurred on or before the start of COBRA continuation coverage, or occurs within the first sixty (60) days of COBRA continuation coverage; and
- 2) The disabled person receives a determination from Social Security that they are entitled to disability income benefits, and this determination is received before or during the original eighteen (18) month COBRA period; and
- 3) The disabled person notifies the Plan within sixty (60) days of receiving the determination of disability from Social Security.

This extended period of COBRA continuation coverage will end at the **earlier** of:

- 1) The end of twenty-nine (29) months from the date of the qualifying event; or
  - 2) The date the disabled person becomes entitled to Medicare Part A, Part B or both; or
  - 3) The date Social Security determines the individual is no longer considered disabled under Title II or XVI of the Social Security Act. Note: The disabled person is required by law to notify the Plan Administrator within thirty (30) days of any change in disability status.
- b) Qualified Beneficiaries due to any other Qualifying Event are allowed a continuation of coverage for a maximum period of thirty-six (36) months.
  - c) If the employee's qualifying event is termination of employment or reduction of hours, and it occurred within eighteen (18) months of becoming entitled to Medicare, the COBRA coverage period for the qualified dependents will be either eighteen (18) months from the termination of employment or thirty-six (36) months from the earlier Medicare entitlement date, whichever is longer. If Medicare entitlement occurred more than eighteen (18) months before termination of employment, this rule does not apply.
  - d) If an individual was covered under Medicare due to End Stage Renal Disease (ESRD) at the time of the Qualifying Event, the Qualified Beneficiary would be eligible for COBRA for the full time allowed by law, however Medicare would become primary on the thirty-first (31st) month of the Medicare eligibility. If the COBRA participant becomes eligible for Medicare due to ESRD after their COBRA effective date COBRA would terminate on the date Medicare becomes effective.

Second Qualifying Event: If an individual experiences more than one Qualifying Event, the maximum period of coverage will be calculated from the date of the earliest Qualifying Event, but will be extended to the full thirty-six (36) months if required by the subsequent Qualifying Event.

#### **4.05 COBRA and FMLA**

An FMLA leave does not make a Covered Person eligible for COBRA coverage. Whether or not coverage is lost because of nonpayment of premium during an FMLA leave, the Covered Person may be eligible for COBRA on the last day of the FMLA leave, which is the earliest to occur of:

- a) When the employee informs the College that he/she is not returning at the end of the leave; or
- b) At the end of the leave, assuming the employee does not return; or
- c) When the FMLA entitlement ends.

For the purpose of an FMLA leave, the employee and his/her covered dependents will be eligible for COBRA as described above only if:

- 1) The employee and/or his/her dependents were covered under this Plan on the day before the leave commenced (or became covered during the FMLA leave); and
- 2) The employee does not return to employment at the end of the FMLA leave; and
- 3) The employee and/or his/her dependents lose coverage under this Plan before the end of what would be the maximum COBRA continuation period.

#### **4.06 COVERAGE TERMINATION**

Coverage under COBRA will cease on:

- a] The last day of the month for which premiums have been paid;
- b] The date the Qualified Beneficiary becomes covered under another group health plan (whether as an employee or otherwise) provided that the other group plan does not contain an exclusion or limitation with respect to any pre-existing condition of such individual. In the event a pre-existing condition limitation applies, all Qualified Beneficiaries can remain on this Plan's continuation of coverage;
- c] The date the Qualified Beneficiary becomes entitled to Medicare benefits;
- d] The last day of the maximum period of continuation the Beneficiary qualified for;
- e] The date the employer ceases to maintain any group health plan for any employee;
- f] The 30th day following the month in which SSA determines the Qualified Beneficiary is no longer disabled, for those on the extended eleven (11) month continuation of coverage.

Once continuation of coverage begins the employer must be notified in writing if the Qualified Beneficiary is no longer eligible for continuation of coverage or no longer wishes to continue coverage.

#### **4.07 COST OF COBRA CONTINUATION OF COVERAGE**

The cost of continuation of coverage under COBRA is determined by the Employer and is paid by the Qualified Beneficiary. If the qualifying individual is not disabled, the applicable premium cannot exceed 102% of the Plan's cost of providing coverage. The cost during a period of extended continuation of coverage due to a disability cannot exceed 150% of the Plan's cost of coverage.

- a] The employee or the Qualified Beneficiary must make the initial payment within forty-five (45) days of notifying the Plan Administrator of their election to continue coverage. The initial payment must include all monthly premiums due back to the date the regular coverage ended.
- b] Future payments must be made within thirty (30) days of the scheduled due date. The due date for COBRA premiums is the first day of each month.
- c] Rates and payment schedules are established by your employer and may change when necessary due to Plan modifications.
- d] The cost to continue coverage is computed from the date coverage would have normally ended due to the Qualifying Event.
- e] Failure to make the first payment within forty-five (45) days or any subsequent payment within thirty (30) days of the established due date will result in the permanent cancellation of continuation coverage. Coverage will terminate retroactively to the last day of the month for which the last premium was paid.
- f] When a premium check is received timely, and that check subsequently is not honored by the bank (i.e.: the check bounces due to insufficient funds), the premium will not be treated as timely paid. The Qualified Beneficiary will be allowed to correct the payment provided it is done within the original thirty (30) day period following the premium due date.
- g] Payment of benefit claims filed during the sixty (60) day COBRA election period and the period before receipt of the first COBRA premium payment by an individual eligible to make an election, will be denied by the Plan until the individual both timely elects COBRA continuation coverage and pays the first required COBRA premium. Once a timely election is made and required premium payments are received, previously denied claims will be processed as if coverage had not been terminated. These benefit claims will not be paid if timely COBRA continuation coverage election and premium payments are not made.

h] Legislative changes introduced in the American Recovery and Reinvestment Act (ARRA) as amended by the Department of Defense Appropriations Act included a provision to provide reduced COBRA premiums for "Assistance Eligible Individuals". This legislation provides for a sixty-five percent (65%) reduction in premium for a maximum period of fifteen (15) months for plan members who experience a COBRA-qualifying event between September 01, 2008 and the current amended termination date passed by Congress to Subsection (a)(3)(A) of Section 3001 of Division B of the American Recovery and Reinvestment Act of 2009. To be considered an "Assistance Eligible Individual," plan members are required to meet **all** of the following requirements:

- You must lose coverage under this Plan as a result of an involuntary termination other than gross misconduct; and
- The loss of coverage must occur between September 01, 2008 and the current amended benefit termination date as passed by Congress; and
- You must timely elect to continue your benefit through COBRA; and
- You must not be eligible for Medicare; and
- You must not be eligible for coverage under any other group health plan, such as a health plan sponsored by a new employer or your spouse's health plan.

An employer-imposed reduction of hours, which prompts a voluntary termination of employment, may be a qualifying event. If a reduction of hours occurring after September 1, 2008 is then followed by an involuntary termination of employment occurring after March 2, 2010, plan members may then qualify for a second COBRA election period and eligibility for the premium reduction benefit. This second election period will end on the current amended termination date as passed by Congress.

For further information about ARRA or to determine whether you are an Assistance Eligible Individual, please contact the COBRA Administrator.

## MAJOR MEDICAL BENEFITS

If, as a result of a covered injury or illness a Covered Person incurs charges for services and supplies described in this Article, the Plan will pay subject to the fees outlined in the Schedule of Benefits. For the purpose of these benefits, an eligible charge must be: a) administered or ordered by a Covered Physician; b) medically necessary; c) not of an experimental or investigational nature; d) not of a custodial nature; e) reasonable and customary treatment relative to the diagnosis; and f) a usual and customary amount for the service that is rendered or the item that is purchased as determined by the plan or its designee.

Any amounts charged that are in excess of what the Plan determines to be the Usual, Reasonable and Customary amount will not be eligible under this Plan.

All expenses are subject to the exclusions, limitations and conditions elsewhere stated in this Plan. The Major Medical benefits will be payable at the percentages shown in the Schedule of Benefits and are subject to the specified deductibles and co-payments shown in the Schedule of Benefits, and shall not exceed the maximums specified.

Unless otherwise stated, all benefits are calculated on a per Covered Person per Calendar Year basis.

### ***DEDUCTIBLES / CO-PAYMENTS / CO-INSURANCE***

**5.01 Individual Deductible:** The individual deductible represents the dollar amount indicated in the Schedule of Benefits which must be accumulated in eligible expenses by a Covered Person during each Calendar Year, before benefits are payable. The Deductible is applied in the order of the Plan's receipt of eligible expenses.

**5.02 Co-payment/Co-pay:** The Co-payment is the dollar amount (as indicated in the Schedule of Benefits) which a Covered Person must pay in conjunction with the receipt of certain eligible services. Co-pay amounts do not apply to the Deductibles or to the out-of-pocket maximums.

**5.03 Co-insurance:** Co-insurance is the percentage of a claim that represents the amount the Covered Person is financially responsible for after satisfaction of the deductible.

**5.04 Carryover Provision:** Eligible Expenses incurred during the last three (3) months of the Calendar Year which are actually applied toward satisfaction of the deductible will be "carried over" towards satisfying the subsequent Calendar Year's deductible.

**5.05 Common Accident:** If two (2) or more covered family members are injured in the same accident, only one (1) Individual Deductible amount must be met for eligible expenses to be reimbursed for all covered family members as a result of such accident for that Plan Year.

**5.06 Out-of-Pocket Maximum:** The Out-of-Pocket maximum is the total dollar amount which is accumulated per person per calendar year in eligible expenses and paid at the co-insurance percentages (shown in the Schedule of Benefits), after which the Plan will pay eligible expenses for the remainder of the Calendar Year at one hundred percent (100%). Deductibles, co-pays, pre-certification penalties, and any charge that is not eligible under this Plan do not apply to the out-of-pocket maximum.

**FOR THE PURPOSE OF THIS PLAN DOCUMENT ELIGIBLE MEDICAL EXPENSES INCLUDE:**

**HOSPITAL / FACILITIES**

**5.07 Emergency Room:** Charges by the Hospital for the use of the Hospital emergency room for appropriate medical charges necessitated by a medical emergency.

**5.08 Hospice:** Charges incurred for hospice care provided by an institution or agency licensed as a Hospice and certified to receive payment under Medicare, when it has been determined that the Covered Person has less than six (6) months to live. The care must be certified by the attending Physician, documenting the necessity of such care when traditional medical treatment and cure-oriented services are no longer medically appropriate due to the Covered Person's terminal condition. The plan of Hospice Care must be renewed in writing by the attending Physician every thirty (30) days. Hospice benefits are limited to sixty (60) days per twelve (12) consecutive months. Hospice care benefits cease if the terminal illness enters remission.

**5.09 Inpatient Hospital:** Inpatient Hospital charges for semi-private room and board, intensive care and miscellaneous Hospital services directly related to the treatment of the injury or illness that necessitated the confinement. Charges for a private room that exceed the cost of a semi-private room, are eligible only if prescribed by a Physician and the private room is medically necessary, or if the Hospital only has private rooms.

**5.10 Licensed Birthing Center:** Charges by a Hospital based or freestanding licensed birthing center.

**5.11 Skilled Nursing Facility:** Charges made by a Skilled Nursing Facility or Extended Care Facility are Eligible Expenses provided the confinement is certified as medically necessary by the attending Physician and the care is not of a custodial nature. Benefits are limited to sixty (60) days per Calendar Year.

**5.12 Surgical Facility:** Charges by a Hospital based or freestanding ambulatory/surgical facility.

**5.13 Urgent Care Facility:** Medically necessary charges made by an Urgent Care Facility.

**SURGERY / ANESTHESIA**

**5.14 Anesthesia:** Charges by a licensed professional anesthetist or anesthesiologist for the administration of anesthetics, pre- and post-operative visits and the administration of fluids and/or blood incidental to the anesthesia or surgical procedure.

**5.15 Assistant Surgeon:** Charges for an assistant surgeon will be considered Eligible Expenses when medically required. If the assistant surgeon is a BlueCross BlueShield of Arizona provider, the eligible charge amount will be twenty percent (20%) of the surgical allowance of that assistant surgeon's BCBSAZ contract. If the assistant surgeon is a non BCBSAZ provider and the assistant surgeon is an MD or DO, the eligible charge amount will be up to 25% of the allowable charges for the surgeon. If the assistant surgery is performed by a non BCBSAZ Registered Nurse First Assistant (RNFA), Certified Surgical Assistant (CSA), or a Physician's Assistant (PA), the eligible charge will be up to 15% of the allowable charge for the surgeon. The services of a standby surgeon will only be covered when: a) a clear medical necessity exists, and b) the standby surgeon is gowned, scrubbed, and physically present in the surgical suite.

**5.16 Oral Surgery:** Charges for oral surgery for the removal of tumors or cysts, tissue biopsies, or for the restoration of sound natural teeth or the alveolar processes due to an accidental injury (restoration made to a functional level). Charges will only be eligible if coverage is still in force at the time the treatment is rendered.

Facility charges and general anesthesia related to covered oral surgery will only be eligible if prescribed by a Physician and is determined to be necessary for a *medical* reason.

**5.17 Organ Transplants:** Charges incurred for non-experimental human to human organ or tissue Transplants such as: Bone Marrow; Kidney; Cornea; Liver; Pancreas; Heart; Lung; Heart/lung; Stem Cell. (This Plan considers stem cell transplants for breast cancer to be experimental). Eligible transplants will only be covered if:

- a) The Covered Person is a likely candidate for a successful outcome of the procedure; and
- b) The Covered Person properly pre-certifies and maintains case management services throughout the course of the transplantation and post transplantation period as directed and coordinated by the Plan's medical review firm; and

- c) The procedure is performed at an In-Network facility known to have an effective program for doing such procedure. If there isn't an In-Network facility that is equipped to perform the transplant, Out-of-Network facilities may be eligible if approved in advance by the Claims Administrator and is performed at a facility approved by the re-insurance carrier.

Charges associated with the donor for the removal of the organ, and/or the procurement/ acquisition/transportation of the organ will also be considered as Eligible Expenses, subject to the recipient's individual benefit levels and plan maximums. Charges related to the donor for screening and testing are **not** covered expenses under this Plan.

**5.18 Reconstructive Surgery:** Charges for reconstructive surgery provided:

- a) Reconstructive surgery is required as the direct result of an accidental injury, an infection or disease of the involved part.
- b) Reconstructive surgery is necessary for the correction of congenital abnormalities which result in a functional defect.
- c) Reconstructive surgery is necessary for post mastectomy. Eligible charges will include surgery and reconstruction of the other breast to produce a symmetrical appearance and prosthesis and treatment of any physical complications at all stages of mastectomy, including lymphedemas. Upon physician approval, the Plan will allow the removal of the non-diseased breast during the same surgical session in which the diseased breast was removed.

**5.19 Second Surgical Opinion:** Charges for a second surgical opinions will be covered. When required and authorized by the medical review company, the charge will be paid at one hundred percent (100%). If the Covered Person requests the second opinion, the charge will be subject to fees shown in the schedule of benefits. The medical review company will direct the Covered Person to a surgeon that is not associated with the original Physician and who specializes in treating the specific surgical problem

**5.20 Surgery:** Charges by a Physician for surgery performed at a Hospital, a licensed surgical center or in the office. In the case of multiple surgeries performed through the same incision the maximum allowable expense shall be equal to the Usual and Customary amount for the procedure with the greatest scheduled amount. Additional allowances (modifiers) may be given when the additional surgeries add significant complexity to the surgical session.

If during the same surgical session multiple surgeries are performed through separate incisions, the allowable expense shall be calculated at the full Usual and Customary amount of the primary procedure, and at fifty percent (50%) of the Usual and Customary amount of each of the lesser procedure(s) that are through their own separate incision(s).

## **MEDICAL / PHYSICIAN SERVICES**

**5.21 Acupuncture:** Charges incurred for acupuncture and the office visit associated with acupuncture when administered by a Physician certified for acupuncture or a licensed acupuncturist.

**5.22 Allergy Testing / Injections:** Charges for initial allergy testing, and the cost of the resultant serum preparation and its administration, when rendered by a Physician, or in the Physician's office. Injections of food allergy antigens and the like are **not** considered eligible medical expenses. The allowance for antigens will be based on a ninety (90) day supply and a per vial cost.

**5.23 Chemotherapy:** Charges for chemotherapy will be considered an eligible expense. Wigs necessitated by hair loss as a result of the chemotherapy are also covered, limited to two (2) per calendar year.

**5.24 Chiropractic:** Charges for chiropractic care including the initial examination and x-rays, by manual or mechanical means and the necessary adjunctive modalities (hot, cold therapy etc). Benefits are limited to thirty (30) visits per Calendar Year up to a maximum benefit payable of one thousand five hundred dollars (\$1,500).

**5.25 Colonoscopy:** In addition to the benefits provided for medically necessary colonoscopies, an additional benefit will be provided for a preventative colonoscopy for Covered Persons over the age of fifty (50). One preventive colonoscopy will be covered every ten (10) years and will be payable subject to the applicable co-insurance percentage. (This preventative benefit is **not** part of the Wellness benefit)

**5.26 Dialysis:** Charges for dialysis will be considered Eligible Expenses.

**5.27 Home Health Care:** Charges for home health care/home infusion services rendered by a licensed Home Health Care Agency which a Physician has prescribed and which is determined by the Plan or its designee to be medically necessary and the most appropriate care. Mileage charges may be eligible if the Covered Person resides in a remote area that does not have a local Home Health Care Agency. Charges are subject to a maximum of forty (40) visits per Calendar Year. Charges for custodial care, mental health care, or substance abuse or chemical dependency treatment would not be eligible under this provision.

**5.28 Nutritional Counseling/Classes:** Charges for nutritional counseling for individuals whose physician has determined are "pre-diabetic" or have been diagnosed with diabetes and those individuals who have been diagnosed with chronic renal disease. Services are subject to a fifteen (\$15) co-payment up to five hundred dollars (\$500) payable per year. The benefit is the same for in-network or out-of-network providers.

**5.29 Pathology / Radiology:** Charges by a laboratory, a pathologist or a radiologist for diagnostic or curative services related to an illness or injury, when ordered by a Physician. Charges for routine screenings are covered up to the wellness benefits shown in the schedule of benefits.

**5.30 Physician:** Charges by a Physician for medical care either in the Hospital, emergency room, office, clinic or other health care facility. The services of a Physician's Assistant (PA) or of a Nurse Practitioner will be eligible provided they are operating under the direct supervision of a Physician.

**5.31 Physical Therapy / Rehabilitation Services:** Charges for rehabilitation services including physical therapy, physiotherapy, and occupational therapy (for short term progressive rehabilitation therapy), provided it is mandated by the disability and is not of a maintenance nature. The rehabilitation therapy must be ordered by and under the supervision of a Doctor of Medicine, Doctor of Osteopathy, or by a Doctor of Podiatry for the area of the body that is within the scope of his/her license, and rendered by a Physician or a Licensed/Registered Therapist.

All Inpatient and Outpatient physical therapy, occupational therapy, or rehabilitation treatment must be pre-certified by American Health Group (AHG). Inpatient rehabilitation treatment is limited to sixty (60) visits per condition or forty thousand dollars (\$40,000), whichever comes first. At any time if treatment becomes of a maintenance or custodial nature benefits will cease.

**5.32 Speech Therapy:** Charges made by a qualified speech therapist for restoration of normal speech or to correct dysphagic or swallowing disorders, when the loss or impairment is due to an injury, illness or surgery. The therapy must be prescribed by a qualified Physician and pre-certified by American Health Group (AHG). Speech therapy is **not** covered for the correction of stuttering, stammering, myofunctional or conditions of psychoneurotic origin.

**5.33 Wellness / Routine Physicals:** Charges for routine wellness services such as routine physicals, routine laboratory tests and x-rays, routine mammograms, routine well baby care, immunizations, shingles vaccine and flu shots. Benefits payable are subject to a maximum benefit of five hundred dollars (\$500) per Covered Person per Calendar Year.

## **MATERNITY / FAMILY PLANNING**

**5.34 Abortions:** Charges incurred for a *medically required* abortion when the continuation of the pregnancy would be life threatening to the mother. Expenses related to complications of any abortion will be considered eligible.

**5.35 Contraception:** Charges for the insertion and removal of I.U.D.s, the cost of and fitting of a diaphragm, or medication (birth control pills, depo-provera shots and Norplant) for birth control purposes. Note: Medications are obtained through the prescription drug card.

**5.36 Midwife:** Charges made by a Certified Nurse Midwife (CNM) for obstetrical or well woman care that is within the scope of his/her license in the state in which he/she is licensed.

**5.37 Newborns:** Charges incurred at a Hospital for "routine" newborn care (DRG 795), including charges for a routine in-hospital exam by a pediatrician and routine circumcisions will be covered as part of the mother's maternity claim. Any charges incurred by the newborn for other than routine care or for any routine care after discharge will only be covered if dependent coverage is in effect, or is added within thirty-one (31) days of the date of birth. These charges are subject to the newborn's own maximums and deductibles.

**5.38 Pregnancy:** Charges incurred as a result of pregnancy for pre- and post-natal care and delivery, provided coverage is in effect at the time the actual charges are incurred (i.e.: at the time of delivery). Eligible expenses shall include routine lab work, alphafetoprotein analysis, one (1) routine ultrasound during the course of pregnancy and genetic services rendered during pregnancy (or in anticipation of a pregnancy), provided the Covered Person's medical history, medical condition and age mandate it. Office visits, when billed separately, are subject to the office visit co-pay. Physician's Global Fee for pre and post natal visits and the delivery, and Hospital charges are subject to the deductible and payable at the percentage listed in the Schedule of Benefits.

**5.39 Sterilizations:** Charges incurred for elective or medically required sterilizations. When a vasectomy is elected, only the Physician's charge for the surgery in his/her office will be covered. Facility charges for vasectomies will not be eligible.

### **MEDICATIONS / EQUIPMENT / SUPPLIES**

**5.40 Blood:** Blood Transfusion services, including the cost of blood and blood products, to the extent they are not replaced or donated through the operation of a blood bank or otherwise.

**5.41 Bras:** Charges for prosthesis bras (up to two per year) and the related post mastectomy prosthetic devices.

**5.42 Contact Lenses:** Charges made for the initial pair of Contact Lenses as prescribed by a Physician when required immediately following cataract surgery.

**5.43 Corrective Appliances / Prosthetics:** Charges for corrective appliances including the original fitting are eligible when ordered by a Physician and necessary due to an illness or injury. Charges will only be allowed for the standard model of the Corrective Appliance. The rental or purchase of a Corrective Appliance is at the option of the Plan; rental is payable only up to the allowed purchase price. Charges will be allowed for replacement, adjustment and servicing of the appliance or prosthesis when necessary due to the growth of a covered child, or when the appliance has exceeded its maximum life expectancy.

**5.44 Durable Medical Equipment:** Charges for necessary Durable Medical Equipment (DME) as prescribed by a Physician. Charges will only be allowed for the standard model of the particular piece of equipment. The rental or purchase of DME is at the option of the Plan, and rental is only payable up to the allowed purchase price. DME charges are limited to five hundred dollars (\$500) payable per item. Charges in excess of the five hundred dollar (\$500) Plan allowance may be considered eligible, however the item must be reviewed by the Claims Administrator and a determination of necessity made for additional benefits *prior* to the purchase or rental.

**5.45 Medications / Rx:** Charges for prescription drugs and medicines, obtainable only upon a Physician's written prescription, and prescribed for treatment of a covered illness or injury. Most medications that can be purchased over-the-counter, are *not* eligible. Prescriptions are purchased with the Rx card issued by the Plan. Covered Persons present their Rx card to the Pharmacist and pay the co-pay amount indicated in the Schedule of Benefits.

**5.46 Orthopedic Shoes / Orthotics:** Charges for medically necessary orthopedic shoes and other related supportive appliances, including their replacement once in each twelve (12) month period, or, if under nineteen (19) years of age, once in each six (6) month period if necessitated by the child's growth. Charges will only be covered when ordered by a M.D. or D.P.M. and dispensed by a certified orthotics laboratory.

**5.47 Oxygen:** Charges for oxygen (when prescribed by a Physician) and for the equipment to use it.

**5.48 Supplies:** Charges for the following Non-durable (disposable) supplies are eligible: a) sterile surgical supplies required following a covered surgery; b) supplies required to operate/use durable medical equipment or corrective appliances; d) supplies required for use by skilled home health or home infusion personnel, only for the duration of their services; e) anti-embolism garments (e.g., Jobst) up to three (3) per Calendar Year.

## **AMBULANCE**

- 5.49** Charges by a licensed professional Ambulance service as follows:
- a] Ground ambulance to the nearest appropriate Hospital within twenty-four (24) hours of an accident or the sudden onset of severe symptoms of an illness;
  - b] Transfer by ground ambulance to the nearest Hospital with the necessary equipment, staff and facilities to treat the patient's condition, if treatment cannot be performed at the initial Hospital;
  - c] Ground ambulance service from the Hospital to the Covered Person's permanent place of residence will be covered, if medically necessary, as determined by the Plan or its designee;
  - d] Transport by air ambulance will be an eligible expense as described in a & b above but **only** when medically necessary due to a life threatening condition.

## **MENTAL HEALTH CARE / SUBSTANCE ABUSE**

**5.50** Charges for Mental Health care and treatment, including charges for substance abuse and chemical dependency are considered Eligible Expenses.

Facility charges for inpatient or residential treatment of mental and nervous disorders, chemical dependency or substance abuse will be eligible when care is received at a licensed Hospital or a licensed treatment facility. Alternative outpatient facility/day programs/Intensive Outpatient Programs (IOP) may be eligible under the inpatient benefit when provided in lieu of inpatient care and approved by the medical review company.

Outpatient treatment for mental health care, treatment of chemical dependency or substance abuse, marriage or family counseling will be eligible when rendered by a licensed Psychiatrist or licensed Psychologist or by one of the following licensed counselors; a Licensed Professional Counselor (LPC), a Licensed Clinical Social Worker (LCSW), or a Licensed Independent Substance Abuse Counselor (LISAC), a Psychiatric Nurse Practitioner (PSYNP) or when rendered by one of the following counselors, provided the counselor is employed by and working under the direct supervision of a Psychiatrist or Clinical Psychologist:

- a] Master Social Worker (MSW)
- b] Master Science Nurse (MSN)
- c] Master of Arts in Guidance & Counseling (MA)
- d] Master of Education in Guidance & Counseling (MED)
- e] Master in Counseling (MA)

Medically necessary psychological testing and neuropsychological testing are covered only if it is mandated by the condition and is pre-certified by the medical review company.

# ARTICLE VI

## PRE-EXISTING CONDITIONS

A pre-existing condition is any medical condition for which the Covered Person received treatment including, but not limited to, diagnosis, consultation, treatment or taking prescribed drugs/medication (including self-administered drugs or biologicals not requiring a Physician's prescription) for an illness or injury, during the six (6) month period immediately preceding the Covered Person's enrollment date of coverage under this Plan. The enrollment date is the Covered Person's effective date, or if earlier, the beginning of their waiting period.

This pre-existing limitation does not apply to newborns, newly adopted children or pregnancy.

**6.01** For new employees and their covered dependents, charges incurred after their enrollment date which are related to a pre-existing condition will not be eligible for benefits until twelve (12) consecutive months from the Covered Person's enrollment date.

**6.02** Employees and their dependents who enroll in this Plan more than thirty-one (31) days after their original enrollment/eligibility date are considered "Late Enrollees". Late Enrollees will not be eligible for benefits related to a pre-existing condition until they have been continuously covered by this Plan for eighteen (18) months.

**6.03** When an employee and his/her dependents enroll in this Plan, and they have previously had "creditable coverage" issued by a defined health plan or a self-insured group health plan, the time covered under the prior plan will be credited towards the pre-existing waiting period under this Plan. The Covered Person must have been continuously covered under the prior plan, with no more than a sixty-three (63) day gap between coverage under the prior plan and their enrollment date under this Plan.

"Creditable coverage" is defined in the "Health Insurance Portability and Accountability Act of 1996" (HIPAA). Creditable coverage refers to coverage under a group health plan (including a governmental or church plan), individual health insurance coverage, Medicare (other than coverage solely under Section 1928), Medicaid, military-sponsored health care, a program of the Indian Health Services, a State health benefits risk pool, the Federal Employees Health Benefit Program, a public health plan as defined in regulation, or any health benefit plan of the Peace Corps Act.

**6.04** Covered Persons must submit a written "Certificate of Coverage" from their prior insurance carrier as proof of prior creditable/accountable coverage the Claims Administrator.

## GENERAL LIMITATIONS AND EXCLUSIONS

Benefits are not payable under this Plan for any charges or treatment related to, or in connection with the following services and/or conditions, regardless of medical necessity or recommendation by a Physician.

**7.01** Services and supplies which are not medically necessary, as determined by the Plan or its designee, or are not necessitated as the result of existing symptoms of an illness or injury, or are not considered the standard medical treatment for the diagnosed condition.

**7.02** Medical care, services or supplies which do not come within the definition of Eligible Expenses and/or are not rendered by an eligible provider of service as defined by this Plan.

**7.03** Expenses associated with complications of a noncovered condition, illness, procedure or service.

**7.04** Charges in excess of the Usual, Reasonable and Customary charge for services and supplies, or charges which exceed any Plan benefit limitation or maximum allowable benefit.

**7.05** Services received or supplies and medication purchased outside the United States unless the charges incurred are a result of a life threatening emergency or accidental injury that occurs while traveling outside the United States.

**7.06** Charges incurred for preparing medical reports, itemized bills, or claim forms. Expenses for broken appointments, telephone calls, photocopying fees, mailing, shipping or handling expenses.

**7.07** Charges for an illness or injury deemed to have arisen out of or in the course of work for wage or profit whether or not such claim has been reported in accordance with the Worker's Compensation rules. No work related claim shall be payable under this Plan unless the injury or illness has been adjudged as non-occupational by the appropriate Worker's Compensation Board.

**7.08** Charges for any illness or injury incurred prior to a Covered Person's eligibility date as defined in Article II, or after the Covered Person's termination date as defined in Article III.

**7.09** Treatment received, including the use of ambulance services as described in Article V, 5.49, for an illness or injury sustained while incarcerated or incurred as a result of being engaged in an illegal occupation, or sustained during the commission of, or the attempted commission of a crime, an assault, or felony, whether or not there is a criminal charge or a conviction of a crime. Treatment received for an illness or injury caused by or sustained while operating a vehicle under the influence of drugs or alcohol, or any other criminal driving offense as defined by the criminal traffic code of the state in which the incident occurred.

**7.10** Any services for which a charge would not have been made in the absence of this coverage; or portion of a charge that is higher than the amount that would have been charged in absence of this coverage.

**7.11** Charges, or a portion of a charge, for services or supplies that are discounted or reimbursed by a refund or rebate.

**7.12** Any charges in excess of rates negotiated between any organization and the Physician, Hospital or other provider of services, whether the plan is a Primary or Secondary payor.

**7.13** Charges incurred due to a court ordered treatment or hospitalization unless a clear medical necessity also exists.

- 7.80** Vocational or educational training services, supplies and materials.

**7.81 Weight Loss / Obesity:** Charges incurred for obesity or primarily for weight control, including weight control drugs, supplies, supplements, substances, weight reduction programs or bariatric surgery, including but not limited to gastric and/or intestinal bypass, gastric stapling or gastric balloon implants.

Bariatric surgery may be considered eligible if the Covered Person meets all of the following criteria and the procedure is performed at a facility known to have an effective program for doing such a surgery and a follow-up program:

- a] The person has been covered under the this Plan for a minimum of 24 months immediately preceding the date of the procedure; and
- b] The Covered Person is at least eighteen (18) years of age, physically mature, and is not older than sixty-five (65) years of age; and
- c] Two separate physicians confirm in writing that the Covered Person:
  1. Is, and has been for two (2) or more years prior to the procedure, Morbidly Obese; and
  2. Is an acceptable surgical interventional risk (i.e. he/she must otherwise be a good surgical candidate); and
  3. Does not have a specifically correctable cause of obesity, such as a glandular or endocrine problem;
- d] The Covered Person provides evidence of physician documented compliance with a structured, medically guided weight reduction program for at least six (6) months prior to the proposed surgery and the Covered Person has failed to maintain weight loss; and
- e] A licensed psychologist or psychiatrist, a dietitian, an exercise physiologist and a surgeon have confirmed in writing that the Covered Person has met with them and the Covered Person is both physically and mentally prepared to undergo the proposed bariatric surgery and a structured post-operative exercise, diet and related follow-up program; and
- f] The Covered Person provides written documentation from a licensed psychologist or psychiatrist confirming the absence of a significant psychopathology that may limit the Covered Person's understanding of the procedure, ability to comply with medical/surgical recommendations and post-surgery lifestyle changes necessary for the procedure to be successful.

Benefits will not be provided for subsequent procedures to correct further injury or illness resulting from the Covered Person's non-compliance with prescribed medical treatment follow-up post-surgery. Expenses which are medically necessary, in connection with services or supplies and surgical procedures performed in connection with Morbid Obesity, will receive benefits as described in the schedule of benefits.

The term "Morbid Obesity," for purposes of this exclusion and this Plan, means the Covered Person meets one or more of the following:

- A diagnosed condition in which the body weight exceeds the medically recommended weight by either one hundred (100) pounds or twice the medically recommended weight for a person of the same height, age and mobility as the Covered Person;
- The Covered Person has a Body Mass Index (BMI) of forty (40) or more; or
- The Covered Person has a Body Mass Index (BMI) of thirty-five (35) or more and the Covered Person also, at the same time, suffers from two or more co-morbid medical conditions such as life-threatening pulmonary problems, severe diabetes, or severe joint disease surgically treatable except for the obesity, but such conditions may be improved by the performance of the bariatric surgery.

The benefits payable for a bariatric surgery, gastric bypass, or any other type of surgical weight loss procedure are limited that such a Covered Person is only eligible for such benefits one (1) time during the life of the Covered Person.

Nutritional counseling will be eligible following a covered bariatric surgery. The Plan will allow up to twelve (12) visits in the twelve (12) month period following the surgery.

## COORDINATION OF BENEFITS

All charges incurred by Covered Persons are subject to this "Coordination of Benefits" (COB) provision. This provision allows for coordination of this Plan's benefits with other "Applicable Policies" to which the Covered Person may also be entitled.

Benefits will be coordinated so that the amount of benefits paid under this Plan along with the benefits received under all other applicable policies will not exceed the total allowable expense.

### **8.01 GENERAL TERMS / PROVISIONS**

*ALLOWABLE EXPENSE* means any necessary, reasonable and customary item of expense, a part of which is covered under one of the plans of the individual for whom the claim is made. If a Preferred Provider (PPO) discount is made by the primary carrier, this Plan as secondary will only allow payments up to the contracted PPO allowance.

*APPLICABLE POLICIES* means any of the following plans that provide coverage for hospital, surgical, medical, dental or vision care: group plans (insured or noninsured); labor-management trustee plans; union welfare plans; employer organization group plans; employee benefit organized plans; prepaid group practice; automobile first-party medical provision; group blanket or franchise insurance; benefits provided under Title XVIII of the Social Security Act of 1965 as amended (Medicare); any insurance or similar coverage.

*COB BENEFIT DETERMINATION PERIOD* shall mean one (1) Calendar Year.

*PRIMARY PLAN* means the plan which initially pays its regular benefits.

*SECONDARY PLAN* means the plan which pays the balance of the remaining Eligible Expenses after the Primary Plan has paid its complete liability. When the Secondary Plan's benefits are added to the Primary Plan's benefits, the total amount paid will not be more than the total allowable expense. In no event will the Secondary Plan's payment be greater than its normal liability would be had it been the Primary Payor (accumulated credit savings can be used when necessary).

**8.02 ORDER OF BENEFIT DETERMINATION** This Plan follows guidelines established by the National Association of Insurance Commissioners (NAIC) when coordinating benefits.

1. The rules for determining primary vs. secondary for the order of benefit payments are as follows:
  - a] A plan which does not have a non duplication of Benefits provision will pay as primary and this Plan will be secondary.
  - b] The plan which covers the claimant as an Employee, member, subscriber or retiree shall be primary.
  - c] The plan which covers the claimant as a Dependent shall be considered secondary.
  - d] If a claimant is covered under one policy in an active status and is also covered under another policy in a retired or laid off status, the policy that covers the claimant in the active status will be primary.
  - e] If a claimant has coverage under COBRA and is also covered under another plan in an active or retiree status, COBRA coverage would be secondary to active or retiree coverage.
  - f] The benefits of a plan which covers the patient as a Dependent child whose parents are not separated or divorced shall have benefits determined according to the "Birthday Rule" as follows:
    - 1) The plan of the parent whose birthday (excluding year of birth) occurs earlier in the Calendar Year is primary over the plan of the parent whose birthday occurs later in a Calendar Year.
    - 2) If both parents have the same birthday, the plan which has covered a parent longer is primary before the plan which has covered the other parent for a shorter period of time.
  - g] When the above do not determine which plan is Primary, the plan covering the person the longest will be Primary.

2. When Dependent children are covered under more than one plan as a result of a divorce or legal separation, the Primary Plan order of responsibility will be determined as follows:
  - a) The plan where the dependent child is covered as a result of a divorce decree or court order or Qualified Medical Child Support Order (QMCSO) which establishes financial responsibility for the medical or dental expenses.
  - b) The plan of the natural or adoptive parent who has legal custody of the Dependent child.
  - c) The plan of the stepparent, provided the child's permanent primary residence is with the stepparent.
  - d) The plan of the natural parent or adoptive parent who does not have legal custody.
  - e) When the court decree does not specify which parent is responsible for the child's healthcare expenses, the "Birthday Rule" as defined above applies.
  - f) When the above do not determine which plan is Primary, the plan covering the Dependent child the longest will be Primary.

If none of the above rules determine which plan is Primary, each plan shall pay an equal share of the Covered Person's eligible expenses.

### **8.03 COORDINATION WITH MEDICARE**

The term "Medicare" as used herein means the Medicare program established by Title XVIII of the Social Security Act (Federal Health Insurance for the Aged) as it is presently constituted or may hereafter be amended. A person shall be considered to be entitled to all of the coverage provided by Medicare on or after the earliest date he/she would have become so entitled had he/she promptly submitted all applications and proof required for such coverage, whether or not enrollment for such coverage or benefits has been made. A Covered Person who is not an Active Employee or the Covered Dependent of an Active Employee should enroll in both Medicare Part A and B, as this Plan will coordinate benefits as if Medicare is primary for all service providers. This Plan adheres to all current regulations as determined by Medicare.

Medicare Order of Benefit Determination:

- a) This Plan will be considered Primary for Active Employees and their Covered Dependents who are eligible for Medicare.
- b) Medicare will be Primary and this Plan will be Secondary for Covered Retirees and their Covered Dependents who are eligible for Medicare.
- c) Covered Persons who are Totally Disabled and under age sixty-five (65) will be considered Primary under this Plan and Secondary under Medicare.
- d) This Plan will be Primary for Covered Persons entitled to Medicare due to end-stage renal disease (ESRD) for the first thirty (30) months of Medicare coverage, at which time Medicare will become the primary payor.
- e) Medicare is primary over COBRA coverage except in the case of ESRD (refer to [d] above).

### **8.04 PAYMENT TO THIRD PARTIES**

Whenever payments which should have been made under this Plan in accordance with the previous provisions have been made by any other plan, this Plan will have the right to pay to any organizations making these payments the amount it determines to be warranted in order to satisfy the intent of the previous provisions. Amounts paid in this manner will be considered to be benefits paid under this Plan and, to the extent of these payments, the Plan and the Employer will be fully discharged from liability under this Plan.

# ARTICLE IX

## DEFINITIONS

For the purpose of this Plan the following terms will have the following definitions when used in this document.

**9.01 ACCIDENT** means nonoccupational bodily injury that is caused by an event that is external, violent, sudden and unforeseen, is not of gradual onset and is independent of all other causes or conditions.

**9.02 ACTIVE** means on a scheduled work day the employee is performing in the customary manner the regular duties of his/her employment on a full-time basis at the Employer's establishment or at some location to which the Employer's business requires him/her to travel.

**9.03 ADMINISTRATOR or PLAN ADMINISTRATOR** as defined by Federal Law means the Employer in the case of an employee benefit plan established or maintained by a single employer.

**9.04 BIRTHING CENTER** means a freestanding or hospital based, public or private institution, other than private offices or clinics of Physicians, which is licensed by the State as a Birthing Center or is associated with a licensed Hospital and meets the official requirements of the State Department of Health.

**9.05 CALENDAR YEAR** means the twelve (12) month period of time from January 1 through December 31. Deductibles, visit and dollar limited plan benefits, as well as plan out-of-pocket maximums are calculated on a Calendar year basis.

**9.06 CHEMICAL DEPENDENCY** means alcohol and/or drug dependence as defined in the current edition of the International Classification of Disease Manual (ICD) or the Diagnostic and Statistical Manual (DSM). See also definitions for Mental Health/Behavioral Health and Substance Abuse.

**9.07 CHIROPRACTOR** is a practitioner duly licensed by the state to practice the science of chiropractic medicine, operating within the scope of his/her license.

**9.08 CLAIMS ADMINISTRATOR** means the company employed by the Plan who is responsible for the processing of claims and payment of benefits, administration, accounting and reporting as contracted for by the Plan. The current claims administrator is "Administrative Enterprises, Inc."

**9.09 CO-INSURANCE** means the percentage of a claim that is the financial responsibility of the Covered Person after this Plan's eligible benefit percentage has been calculated.

**9.10 CO-PAYMENT / CO-PAY** means the specified dollar amount which a Covered Person must pay in conjunction with the receipt of eligible services under the terms of this Plan.

**9.11 CORRECTIVE APPLIANCE** means items which are prosthetic or orthotic and necessary for the restoration of function or replacement of body parts.

Prosthetic is an item used to replace all or part of a natural body part or the function thereof.

Orthotic is an item used to support a weakened body part or to correct a body defect.

**9.12 COSMETIC** refers to treatment, surgery or service performed which will preserve or improve appearance (i.e.: reshape the structure) and which will not affect the physiological function.

**9.13 COVERED DEPENDENT** shall be those Dependents who are eligible according to the rules provided herein under Article II, "Eligibility", and are enrolled by a Covered Employee.

**9.14 COVERED EMPLOYEE** shall refer to an Employee or an Elected Board Member who is eligible hereunder and has enrolled in the Plan. To be considered a Covered Employee, the individual must satisfy the requirements in Article II, "Eligibility".

**9.15 COVERED RETIREE** shall refer to a Covered Employee who has met the terms and conditions of eligible retirement and continues to make the required contribution.

**9.16 COVERED PERSON** shall refer to a Covered Employee, Covered Retiree, Covered Dependent or a Qualified Beneficiary under COBRA.

**9.17 CREDIT SAVINGS** means the difference in the amount of benefits that would have been paid if this Plan was primary and the actual amount that was paid as the secondary payor due to coordination of benefits. Credit savings are accumulated on an annual basis and used on future benefit calculations if needed to reach one hundred percent (100%) payment of eligible allowed amounts, between the primary and secondary carriers.

**9.18 CUSTODIAL CARE** shall mean services which are provided to help a person with personal hygiene or to perform activities of daily living and which can be safely performed by individuals who are not trained, licensed health care professionals. Services are custodial regardless of who recommends, orders, provides or directs the care or location for the care.

**9.19 DENTIST** means a duly licensed practitioner acting within the scope of his or her license and holding the degree of Doctor of Dental Surgery (DDS) or Doctor of Dental Medicine (DMD).

**9.20 DEDUCTIBLE** means the total amount of Eligible Expenses for services or supplies which the Covered Person must accumulate in Eligible Expenses prior to receiving benefit payment from this Plan.

**9.21 DRUG** means any medication or article which may only be lawfully dispensed (as provided under the Federal Food, Drug and Cosmetic Act) upon the written or oral prescription of a Physician duly licensed by law to administer it.

**9.22 DURABLE MEDICAL EQUIPMENT** means equipment that can withstand repeated use, is not disposable, and is primarily and customarily used for a medical purpose and would not generally be useful in absence of illness or injury.

**9.23 ELECTION PERIOD** means the period in which each Qualified Beneficiary must elect coverage continuation. The period commences when the Covered Person becomes eligible or receives the notice specified in the Continuation of Coverage provision, whichever is later. The Election period terminates sixty (60) days after the receipt of the notice of rights under termination.

**9.24 ELIGIBLE EXPENSES** shall mean charges for services and/or supplies described in this Plan incurred as a result of a covered Injury or Illness by a Covered Person. For a charge to be considered eligible the charge must be: a) administered or ordered by a Covered Provider; b) medically necessary; c) not of an experimental or investigational nature; d) not of a custodial nature; e) reasonable and customary treatment relative to the diagnosis; and f) a usual and customary amount for the service that is rendered or the item that is purchased, as determined by the Plan or its designee. Charges for routine wellness care are eligible expenses as described in Article V, Section 5.33. Eligible charges shall not include expenses which are specifically excluded or reduced as a result of specific Plan requirements not satisfied.

**9.25 EMERGENCY CARE** means the treatment of a sudden unexpected onset of a medical condition, which manifests itself by such acute symptoms of sufficient severity that requires urgent and immediate medical attention (without regard to the hour of day or night) to prevent significant impairment in bodily functions or serious and/or permanent dysfunction of any bodily organ or part and is not normally treatable in the provider's office. To be considered emergency care, services must be rendered at the nearest emergency medical care facility. If emergency care (as defined above) is rendered at a BlueCross BlueShield of Arizona contracted facility, services will be considered under the PPO "In-Network" schedule of benefits. If emergency care (as defined above) is rendered at a non-contracted facility (in or out of the state of Arizona), services will be considered under the PPO "In-Network" schedule of benefits.

**9.26 EMERGENCY HOSPITALIZATION OR CONFINEMENT** means a Hospital admission which takes place within twenty-four (24) hours of the onset of a sudden and unexpected severe symptom of an illness or within twenty-four (24) hours of an accidental injury during a life threatening situation.

**9.27 EMERGENCY SURGERY** shall mean a surgical procedure performed within twenty-four (24) hours of the sudden and unexpected severe symptom of an illness or within twenty-four (24) hours of an accident during a life threatening situation.

**9.28 EMPLOYER** as used herein shall mean Central Arizona College.

**9.29 ENROLL** means to make written application for coverage on the prescribed forms, within the stipulated timeframes.

**9.30 ENROLLMENT DATE** is the Covered Person's effective date on the Plan or, if earlier, the first day of the waiting period (i.e., date of hire).

**9.31 EXPENSE INCURRED** shall mean the date on which the service or supply is actually rendered or obtained. Any agreement as to fees or charges made between the individual and the Physician shall not bind the Plan in determining its liability with respect to the Expense Incurred.

**9.32 EXPERIMENTAL / INVESTIGATIONAL TREATMENT, PROCEDURE or EQUIPMENT** means any services, procedures, drug treatments, equipment or supplies which:

- a) Are considered by any governmental agency, such as the Food and Drug Administration (FDA), the National Institute of Health (NIH), or the Centers for Medicare Medicaid Services (CMS) as noted in the Medicare Coverage Issue Manual, to be experimental or investigational; or
- b) Cannot be lawfully marketed without approval of the Food and Drug Administration and approval for marketing has not been given at the time a drug or device is furnished; or
- c) "Reliable evidence" shows that the drug, device or medical treatment or procedure is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with the standard means of treatment or diagnosis; or
- d) "Reliable evidence" shows that the consensus of opinion among experts regarding the drug, device or medical treatment or procedure is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with the standard means of treatment or diagnosis; or
- e) Do not have a documented success ratio of fifty percent (50%) for a period of two (2) years.

"Reliable Evidence" shall mean published reports and articles in the authoritative medical and scientific literature, or the written protocol or written informed consent used by the treating facility or of another facility studying substantially the same drug, device, medical treatment or procedure.

**9.33 GRACE PERIOD** means the period of time in which the Covered Person/Qualified Beneficiary must pay the required contributions for continued coverage to remain in effect. The Grace period will be thirty (30) days from the date contributions are due (first of each month).

**9.34 HOME HEALTH CARE AGENCY** shall mean a licensed public agency or private nonprofit organization which:

- a) Is primarily engaged in providing skilled nursing services;
- b) Has policies, established by a group of professional personnel associated with the agency or organization (including one (1) or more Physicians and one (1) or more Registered Nurses), to govern and supervise the services which it provides (referred to in subdivision [a]) and provides for the supervision of such services by a Physician or Registered Nurse.

**9.35 HOME HEALTH SERVICES** shall mean the items and services which are furnished to a Covered Person who is under the care of a Physician. Such items and services may be furnished by a licensed Home Health Agency or by others under arrangements made by such an agency, under a plan established and periodically reviewed by such Physician. Such items and services shall be furnished on a visiting basis in the Covered Person's home or, if necessary, at the nearest facility equipped to provide such services when not available at the Covered Person's place of residence, and shall consist of any or all of the following:

- a) Part-time or intermittent nursing care provided by or under the supervision of a Registered Nurse;
- b) Physical therapy, occupational therapy, speech therapy, all of whom must be licensed to perform such services.
- c) Medical social services under the direct supervision of a Physician;
- d) Medical supplies (other than drugs and biologicals), and the use of medical appliances while under such a plan;
- e) In the case of a Home Health Care Agency which is affiliated or under common control with a Hospital, medical services provided by an intern or resident in-training of such Hospital.

**9.36 HOSPICE CARE** shall mean services rendered for the care of patients who are dying of a terminal condition and have less than six (6) months to live and for whom traditional cure-oriented services are no longer medically appropriate. A Hospice Care program represents a coordinated, interdisciplinary program that provides services which consist of:

- a) Inpatient or outpatient care, home care, nursing care, counseling and other supportive services and supplies provided to meet the physical, psychological, spiritual and social needs of the dying Covered Person; and
- b) Instructions for care of the patient, counseling and other supportive services for the family of the dying Covered Person.

Hospice care charges are only eligible when rendered by an organization or institution that is approved by Medicare for payment.

**9.37 HOSPITAL** means a licensed institution engaged in providing for payment, care and treatment for sick and injured people, which meets all of the following requirements:

- a) Provides care by Registered Nurses on call twenty-four (24) hours per day;
- b) Has on staff at all times one (1) or more licensed Physicians; and
- c) Has on its immediate premises (except in the case of an institution specializing in the care and treatment of psychiatric disorders) an operating room and related equipment for performing surgery.

The term *HOSPITAL* will not include a facility which is primarily for any of the following: rest or convalescence, custodial care, the aged, rehabilitation training, schooling, or occupational therapy. Confinement in a special unit of a Hospital (i.e. units primarily used as a nursing, rest or convalescent home) is not deemed as hospital confinement for purposes of this definition.

**9.38 HOSPITAL MISCELLANEOUS CHARGES** shall mean the Reasonable and Customary charges by the Hospital for the necessary services, medicine or supplies provided for the diagnosis or treatment of an illness or injury (except services of a Physician and drugs or supplies not consumed or used in the Hospital) while the Covered Person is Hospital confined and a charge is made for room and board, or if such services are rendered in connection with a surgical procedure performed on an "Outpatient" basis.

**9.39 ILLNESS** means bodily sickness or disease, pregnancy, psychiatric disorders, or congenital abnormalities.

**9.40 IMMEDIATE FAMILY MEMBER** shall mean the Covered Person's mother, father, sister, brother, husband, wife and/or child whether by birth, adoption or by marriage.

**9.41 INDIVIDUAL DEDUCTIBLE AMOUNT** is the amount shown in the Schedule of Benefits which must be accumulated in Eligible Expenses by a Covered Person during each Calendar Year before benefits are payable under this Plan.

**9.42 INJURY** means a condition which results independently of an illness and is a result of an accidental externally violent force.

**9.43 INJURY TO SOUND NATURAL TEETH** shall mean an injury to the teeth caused by an external object. Intrinsic force such as a force of chewing does not meet the definition of injury.

**9.44 IN-NETWORK** refers to BlueCross BlueShield of Arizona.

**9.45 INPATIENT** means confined in a Hospital facility for which a room and board charge has been made.

**9.46 INTENSIVE CARE UNIT** shall mean a section, ward, or wing within the Hospital which is separated from other Hospital facilities, and:

- a) Is operated exclusively for the purpose of providing professional care and treatment for critically ill patients; and
- b) Has special supplies and equipment necessary for such care and treatment available on a standby basis for immediate use; and
- c) Provides room and board and constant observation and care by Registered Nurses and other specially trained Hospital personnel.

**9.47 LIFE THREATENING** means unexpected, acute, sudden and serious conditions which require *immediate* medical treatment.

**9.48 LIFETIME MEDICAL/Rx PLAN MAXIMUM** means the maximum medical benefits available for any one (1) Covered Person for all conditions during his/her lifetime while covered under this Plan, whether or not there has been any interruption in his/her coverage under this Plan.

**9.49 MEDICALLY NECESSARY OR MEDICAL NECESSITY** means any health care, service, supplies, or accommodations received by the Covered Person for illness or injury which is consistent with the following criteria as determined by the Plan or its designee:

- a) Must be consistent with the symptom(s) or diagnosis;
- b) Must be received in the most appropriate setting that can be used safely (for example, in a Provider's office or Ambulatory Surgery Service Facility instead of a Hospital);
- c) Must not be solely for the convenience of the Covered Person, the Physician, the Hospital, healthcare provider or any other person;
- d) Must be the most appropriate with regard to standards of good medical practice and could not have been omitted without adversely affecting the Covered Person's condition or the quality of medical care received, as determined by established medical review mechanisms;
- e) Must be the most appropriate and cost efficient level of service that can be safely provided to the Covered Person.

The fact that a Physician may recommend or approve a service or supply does not in itself make the service or supply medically necessary.

**9.50 MEDICARE** means Title XVIII of the United States Social Security Amendment of 1965 (Federal Health Insurance for the Aged), or as later amended.

**9.51 MENTAL HEALTH / BEHAVIORAL HEALTH** refers to disorders, conditions and diseases as defined within the mental disorders section of the current edition of the International Classification of Diseases (ICD-9-CM) manual, and is not a specific Plan exclusion.

**9.52 MENTAL HEALTH / BEHAVIORAL HEALTH TREATMENT FACILITY** shall mean a public or private facility, licensed and operated according to the law, which provides a program for diagnosis, evaluation, and effective treatment of mental health disorders, and provides skilled nursing care by licensed nurses under the direction of a full-time R.N. The facility must have at least one Physician on staff and on call. The facility must prepare and maintain a written plan of treatment for each patient. The treatment plan must be based on medical, psychological and social needs.

**9.53 NEWBORN NURSERY CHARGES** means the room and board and miscellaneous charges made by a Hospital for the care, other than for an illness or injury, of a newborn baby immediately following birth (DRG 795).

**9.54 NONDURABLE** means goods and supplies which cannot withstand repeated use and/or are considered disposable and limited to a one-person or one-time use, including but not limited to diapers, incontinence pads, soap, etc.

**9.55 NURSE** means a Registered Graduate Nurse (R.N.), a Licensed Vocational Nurse (L.V.N.), a Licensed Practical Nurse (L.P.N.), or a Registered Nurse First Assistant (RNFA).

**9.56 NURSE-MIDWIFE** means a Certified Nurse-Midwife holding the degree of C.N.M. and practicing within the scope of his/her license. Services rendered must only be for obstetrical care or well woman care.

**9.57 ORTHOGNATHIC** refers to services dealing with the cause and treatment of malposition of the bones of the jaw.

**9.58 ORTHOTICS** means a corrective appliance customized and dispensed by a certified orthotics laboratory to support weakened feet.

**9.59 OUT-OF-NETWORK** means any provider that is not contracted with the BlueCross BlueShield of Arizona Preferred Provider Organization.

**9.60 OUT-OF-POCKET MAXIMUM** means the total dollar amount which is accumulated per person per calendar year in eligible expenses and paid at the co-insurance percentages (shown in the Schedule of Benefits), after which the Plan will pay eligible expenses for the remainder of the Calendar Year at one hundred percent (100%). Deductibles, co-pays, pre-certification penalties, and any charge that is not eligible under this Plan do not apply to the out-of-pocket maximum.

**9.61 OUTPATIENT** shall mean any care or treatment that is rendered while the Covered Person is not confined in a Hospital or other Facility.

**9.62 PREFERRED PROVIDER** means a provider who is under contract with the College's contracted PPO network to provide services to Covered Persons at negotiated rates.

**9.63 PERIOD OF COVERAGE** means the period beginning on the date of the Qualifying Event and lasting until the earliest of the dates indicated under Article IV, Continuation of Coverage (COBRA).

**9.64 PHYSICIAN OR DOCTOR** means a duly licensed or certified practitioner acting within the scope of his/her license or certification and holding the degree of:

- |                                |                                 |                                |
|--------------------------------|---------------------------------|--------------------------------|
| a] M.D. - Doctor of Medicine   | c] P.A. - Physician's Assistant | e] D.P.M. - Doctor of Podiatry |
| b] D.O. - Doctor of Osteopathy | d] N.P. - Nurse Practitioner    |                                |

The services of a Physician's Assistant (P.A.) will be eligible provided they are operating under the direct supervision of an M.D. or a D.O. An eligible Physician shall not include the Covered Person, or a Physician who is part of the Covered Person's family.

**9.65 PLAN** shall mean and refer to the benefits provided through the Central Arizona College Community College District Employee Benefit Trust.

**9.66 PLAN DOCUMENT** shall mean and refer to this written document, any amendments thereto, and any successor document that states benefits provided by the Trust.

**9.67 PLAN YEAR** means the period of time between July 1<sup>st</sup> and June 30<sup>th</sup> of each year.

**9.68 PRACTITIONER** shall mean a person acting within the scope of applicable state licensure/certification requirements and holding the degree of Certified Nurse Midwife (CNM), Registered Nurse First Assistant (RNFA), Certified Surgical Assistant (CSA), Certified Registered Nurse Anesthetist (CRNA), Registered Physical Therapist (RPT), Occupational Therapist, Speech Therapist, Physician's Assistant (PA), Nurse Practitioner (NP), Registered Respiratory Therapist or Licensed Acupuncturist, . An eligible practitioner shall not include the Covered Person, or anyone who is a member of the Covered Person's family or resides with the Covered Person. Eligible Mental Health/Behavioral Health practitioners are limited to Psychiatrist, Psychologists and licensed professional counselors and social workers with a master's degree in behavioral science (provided they are working under the direct supervision of a Physician, a Psychiatrist or a Psychologist). Optometrists administering topical pharmaceutical agents or removing superficial foreign bodies from the eye must be appropriately licensed and meet any additional state requirements for such services.

**9.69 PRE-CERTIFICATION** refers to the process of reviewing the necessity, appropriateness, location, duration and/or cost efficiency of a health care service before it is rendered.

**9.70 PRE-EXISTING CONDITION** means any condition for which an individual was diagnosed, received medical care or treatment (including but not limited to diagnostic testing, consultation, or consumption of prescribed medication, or self-administered drugs or biologicals) during the six (6) month period immediately preceding his/her enrollment date, whichever is later, for coverage with this Plan. Pre-existing limitations do not apply to pregnancies, newborns, or wellness charges described in Article V, Section 5.33. Under this plan condition means any disease, illness, ailment or bodily malfunction of a Covered Person. Under this plan treatment means medical or surgical management of a Covered Person. Under this plan consultation means the seeking or rendering of medical treatment by or from a physician or doctor. Under this plan biologicals means any natural compound processed and used for the treatment and/or cure of a medical condition.

**9.71 PREFERRED PROVIDER ORGANIZATION (PPO)** is a network of health care providers (i.e. Hospitals, Physicians, Laboratories, etc.) that have been contracted to provide services at a reduced rate. This Plan utilizes the BlueCross BlueShield of Arizona PPO.

**9.72 PROSTHETICS** means a corrective appliance customized to replace all or part of a missing body part as an artificial limb.

**9.73 QUALIFIED BENEFICIARY** shall mean a person so defined under Article IV, Continuation of Coverage (COBRA).

**9.74 QUALIFYING EVENT** as used and defined under Article IV, Continuation of Coverage (COBRA).

**9.75 RECONSTRUCTIVE SURGERY** shall mean a procedure performed on an abnormal or absent structure of the body to correct damage caused by a congenital birth defect, an accidental injury, infection, disease, tumor, or for breast reconstruction following a mastectomy.

**9.76 REHABILITATION / REHABILITATION THERAPY** shall mean physical, occupational and speech therapy prescribed by a Physician and performed by licensed therapists, to improve body function that has been restricted or diminished as a result of illness, injury or surgery. The Plan covers active rehabilitation which refers to therapy in which the patient actively participates and is intended to provide significant and measurable improvement of an individual who is restricted and cannot perform their normal body function.

Passive rehabilitation refers to therapy in which the patient does not actively participate because of a cognitive deficit, is comatose or otherwise physically or mentally incapable of active participation. Maintenance rehabilitation refers to therapy in which the patient actively participates and has met the functional goals of the active rehabilitation so that no continued improvement is anticipated but where additional therapy may be prescribed to maintain, support and/or preserve the patient's functional level.

**9.77 RESIDENTIAL TREATMENT FACILITY** means a facility duly licensed or certified by the State Department of Health for treatment of chemical dependency or substance abuse.

**9.78 ROUTINE NEWBORN / WELL BABY CARE** means charges made by a Provider for inpatient (DRG 795) or outpatient examination or care of a healthy newborn or infant other than treatment or diagnosis in connection with an illness or injury.

**9.79 SEMIPRIVATE ROOM CHARGE** means the charge by a Hospital for a room containing two (2) or more beds.

**9.80 SKILLED NURSING CARE** refers to services performed by a licensed health care professional which:

- a) Has been ordered and provided under the direct supervision of a Physician;
- b) Is intermittent and part-time, not exceeding sixteen (16) hours per day and typically is required on less than a daily basis;
- c) Requires the skills of technical or professional personnel in that the service is so inherently complex that it can only safely and effectively be performed by same.

**9.81 SKILLED NURSING FACILITY (SNF) OR EXTENDED CARE FACILITY** shall mean an institution, or a distinct part thereof, which is licensed pursuant to state and local laws and is operated primarily for the purpose of providing skilled nursing care and treatment for individuals convalescing from injury or illness, and:

- a) Is approved by and is a participating Skilled Nursing Facility under Medicare; and
- b) Has organized facilities for medical treatment and provides twenty-four (24) hour nursing services under the full-time supervision of a Physician or Registered Nurse; and
- c) Maintains daily clinical records on each patient and has available the services of a Physician under the established agreement; and
- d) Provides appropriate methods of dispensing and administering drugs and medicines; and
- e) Has transfer arrangement with one or more Hospitals, a utilization review plan in effect and an operations policy developed with the advice of, and reviewed by, a professional group including at least one Physician; and
- f) Is not an institution or part thereof which is primarily a place of rest, a place for custodial care, a place for the aged, a hotel or similar institution.

**9.82 SPINAL MANIPULATION AND CHIROPRACTIC CARE** means the treatment rendered for the correction of structural imbalance, distortion, misalignment or subluxation of or in the vertebral column by manual or mechanical means.

**9.83 SOUND AND NATURAL TEETH** means a tooth which is free of decay or periodontal disease, contains a live nerve and root, and has never been capped or crowned.

**9.84 SUBSTANCE ABUSE** means alcohol and/or drug dependence as defined in the current edition of the International Classification of Disease Manual (ICD) or the Diagnostic and Statistical Manual (DSM). See also definitions for Mental Health/Behavioral Health and Chemical Dependency.

- 9.85 SURGERY** means any of the following medical procedures:
- a) To incise, excise, or electrocauterize any organ or body part;
  - b) To repair, revise or reconstruct any organ or body part;
  - c) To reduce by manipulation a fracture or dislocation;
  - d) To puncture or aspirate;
  - e) Use of a scope for diagnostic procedures;
  - f) Use of endoscopy or laparoscopy, etc. for exploration or removal of tissue; and
  - g) Use of a Laser.

In the case of multiple surgeries performed through the **same incision** the maximum allowable expense shall be equal to the Usual and Customary amount for the procedure with the greatest scheduled amount. Additional allowances (modifiers) may be given when the additional surgeries add significant complexity to the surgical session. If during the same surgical session multiple surgeries are performed through **separate incisions**, the allowable expense shall be calculated at the full Usual and Customary amount of the primary procedure, and at fifty percent (50%) of the Usual and Customary amount of each of the lesser procedure(s) that are through their own separate incision(s).

- 9.86 SURGICAL CENTER, FREESTANDING OR AMBULATORY** means a hospital based or freestanding legally operated center which:
- a) Has permanent operating rooms and at least one (1) recovery room, and all necessary equipment for use before, during and after surgery; and
  - b) Is other than a private office or clinic of a Physician; and
  - c) Has full-time Registered Nurses available for care in an operating room or recovery room; and
  - d) Has a contract with at least one (1) nearby Hospital for immediate acceptance of patients who require Hospital care following care in the freestanding facility; and
  - e) Is supervised by an organized staff of medical professionals.

**9.87 TOTAL DISABILITY** means a condition present whereby a person is unable to engage in duties of their regular occupation at their normal place of employment for their regularly scheduled amount of hours, or is unable to perform the normal activities of a person of like age and sex who is in good health, as a result of a non-occupational injury or illness, and is under the regular care and attendance of a Physician who certifies the person's disability, and the person is not performing work of any kind for compensation or profit.

**9.88 TREATMENT** shall mean having received a diagnosis, consultation, or taking prescribed drugs/medication (including self-administered drugs or biologicals not requiring a Physician's prescription) for an illness or injury.

**9.89 USUAL, CUSTOMARY AND REASONABLE (UCR)** means the normal charges of the provider for a service or supply, but not more than the prevailing charge in the same geographical area for a like service or supply. A charge is "usual" when it corresponds to the going charge for a given service by a provider of medical services. The charge is "customary" when it is within the range of usual charges made by providers of medical services, with similar training and experience, for the same service within the same specific and limited geographical area. The charge is considered "reasonable" when it meets the foregoing criteria, and, in the opinion of responsible medical authorities, it is justifiable considering the special circumstances of the particular case in question. With respect to PPO providers, the UCR charge is defined as the fee allowance as outlined in the agreements between the PPO providers and the PPO.

**9.90 URGENT CARE FACILITY** is a public or private Hospital based or free-standing facility that is licensed or legally operating as an Urgent Care Facility that primarily provides minor emergency and episodic medical care, in which one or more Physicians, Nurse, and x-ray technicians are in attendance at all times when the facility is open, and that includes x-ray and laboratory equipment and a life support system.

**9.91 VISIT** shall mean an in person interview/consultation between a Physician or other eligible health care practitioner and a Covered Person.

## GENERAL PROVISIONS

The Plan Document constitutes the entire Plan. The Plan does not constitute a contract of employment. If the language in this Plan Document conflicts with the Schedule of Benefits, the Schedule of Benefits will be considered correct and benefits paid accordingly.

### **10.01 PURPOSE**

Your employer has established and maintains the partially self-funded Employee Benefit Trust contained herein to provide for the payment or reimbursement of specified medical expenses incurred by its Covered Employees, Covered Retirees and their Covered Dependents. The name of the Plan is the Pinal County Community College District Employee Benefit Trust, hereinafter referred to as the "Plan". The purpose of this Plan Document is to set forth the provisions of the Plan which provide and/or affect such payment or reimbursement.

### **10.02 EFFECTIVE DATE**

The revised Effective Date of the Plan is July 1, 2010 as of 12:01 a.m., Mountain Standard Time in the State of Arizona. Eligibility for, and the amount of benefits, if any, payable with respect to employees of the Employer or their dependents, prior to the effective date, shall be determined in accordance with any applicable group benefit plan maintained by the Employer at that time. As of the effective date, eligibility for, and the amount of benefits, if any, payable with respect to employees of the Employer or their dependents, shall be determined pursuant to the terms and conditions of this Plan Document.

### **10.03 AMENDMENTS**

To carry out its obligation to maintain, within the limits of the funds available to it, a sound economic program dedicated to providing quality benefits for Covered Employees, Covered Retirees and Covered Dependents, the Trust expressly reserves the right, at its sole discretion and without notice to eligible individuals but on a nondiscriminatory basis to:

- a] Cancel or discontinue the Plan;
- b] Amend either the amount or conditions with respect to any benefits or provisions of the Plan, even though such amendment affects the claims in process and/or expenses already incurred;
- c] Determine initial and/or continuing eligibility for receipt of benefits by Plan beneficiaries, including elected/appointed officials and/or their dependents, active Employees and/or their Dependents and such other categories or classes of beneficiaries as the Trust may from time to time establish.
- d] Alter or postpone the method of payment of any benefit; and
- e] Amend any provisions of this Summary Plan Description.

### **10.04 SUMMARY PLAN DESCRIPTIONS**

Each employee covered under this Plan will receive a Summary Plan Description (this document) describing the benefits to which the Covered Persons are entitled, to whom benefits are payable, and summarizing the provisions of the Plan.

### **10.05 MISREPRESENTATION OR FRAUD**

In the event of misrepresentation or fraud by a Covered Person or by a Covered Person's representative, the Plan has the right to deny claims in whole or in part. If information is misrepresented on an application for coverage, this Plan has the right to rescind coverage.

### **10.06 MISSTATEMENT OF AGE**

If the age of a covered individual has been misstated and if the amount of contribution is based on age, an adjustment of contributions shall be made based on the covered individual's true age. If age is a factor in determining eligibility or amount of benefits, or both, the amount for which the person is covered shall be adjusted in accordance with the covered individual's true age. Any such misstatement of age shall neither continue coverage otherwise validly terminated, nor terminate coverage otherwise validly in force. Contributions and benefits will be adjusted on the contribution due date next following the date of the discovery of such misstatement.

**10.07 DISCLAIMER OF LIABILITY**

The Plan has no control over any diagnosis, treatment, care (or lack thereof), or other services delivered to a Covered Person by a provider, and disclaims liability for any loss or injury caused to the Covered Person by any provider by reason of negligence, or failure to determine the correct diagnosis, or failure to provide treatment or otherwise.

**10.08 PRIVACY, CONFIDENTIALITY, RELEASE OF RECORDS OR INFORMATION**

Any information collected by the Plan will be treated as confidential information, and will not be disclosed to anyone without your written consent, except as follows:

- a] Information will be disclosed to those who require that information to administer the Plan or to process claims.
- b] Information with respect to duplicate coverage will be disclosed to the plan or insurer that provides the duplicate coverage.
- c] Information will be disclosed as required by law or regulation or in response to a duly issued subpoena.

**10.09 RIGHT TO RECEIVE AND RELEASE INFORMATION**

For the purpose of implementing the terms of this Plan, information may be released to or obtained from any insurance company, organization or individual, concerning any Covered Person when it is deemed necessary. Any Covered Person claiming benefits under this Plan will furnish the Plan the information necessary to implement the Plan provisions. The Plan reserves the right to suspend or deny a claim based on lack of information and/or records.

# ARTICLE XI

## MISCELLANEOUS PLAN PROVISIONS

### **11.01 FILING OF INFORMATION**

Each Covered Person is responsible to file with the College, all pertinent information concerning eligibility, name and address changes, marriage, divorce, disability, Medicare eligibility, information regarding other insurance, coverage, death, student status, proof or continued proof of dependency, within thirty-one (31) days of the event, in order to be entitled to benefits under the Plan.

### **11.02 PROOF OF CLAIM and TIMELY FILING REQUIREMENTS**

Written notice and proof of claim hereunder must be given to the Plan with particulars sufficient to identify the Covered Person, within twelve (12) months of the date such claim was incurred. The Covered Person must submit properly completed claim forms and itemized statements as authorized by the Plan. Any exceptions to these filing requirements are subject to approval by the College.

### **11.03 INTERPRETATION OR PLAN PROVISIONS**

The Plan Administrator shall have the discretion to interpret and apply the provisions of this Plan, and the decision of the Plan Administrator shall be upheld unless arbitrary or capricious.

### **11.04 PREFERRED PROVIDER ARRANGEMENT**

The College shall have the right to contract with Providers or existing networks of Providers in order to establish a Preferred Provider Network. Participants who utilize the Participating Providers obtain greater levels of reimbursement for Eligible Expenses as established by the Plan. All other Plan restrictions and limitations will remain the same.

### **11.05 INDEPENDENT PHYSICIAN EXAMINATION**

The Plan, at its own expense, shall have the right and opportunity to have a Physician of its choice examine the Covered Person when and so often as it may reasonably require during the pendency of any claim.

### **11.06 MANAGED CARE RECOMMENDATIONS**

This Plan, together with the Utilization Review firm, and the Claims Administrator have the option of overriding certain Plan limitations, exclusions or pre-certification requirements when it is in the best interest of the Plan to allow a more cost effective type of alternative care.

### **11.07 FACILITY OF PAYMENT**

If a valid release cannot be rendered for the payment of any benefit payable under this Plan, payment may be made to the individual or individuals that have assumed the care and support of the Covered Person and are, therefore, entitled thereto. In the event of the death of the Covered Person prior to such time as all benefit payments due him/her have been made, benefit assignments made prior to the death of the Covered Person will be honored. Any payment in accordance with the above provisions shall fully discharge the obligation of the Plan to the extent of such payments.

### **11.08 ASSIGNMENT**

The Covered Person's benefits may not be assigned, other than to the provider of service, except by consent of the Plan. This Plan contains an automatic assignment of benefits to the provider of service unless evidence of previous payment is submitted with the claim. Any payment made by the Plan in accordance with this provision will fully release the Plan of its liability to the Covered Person.

### **11.09 RIGHT OF RECOVERY**

If for any reason payments are made in excess of the correct amount due, the Plan has the right to recover any excess payments from any other company, organization, or individual, including the reduction or suspension of future Plan benefits that may be due the Covered Person or any Covered Family Member, or, by requiring the Covered Person to pay back the overpayment in full or in accepted and approved installments until the overpayment is fully recovered.

## 11.10. SUBROGATION AND RIGHT OF REIMBURSEMENT

The Plan has a first priority Subrogation and Reimbursement right if it provides benefits resulting from or related to an injury, occurrence, or condition for which the eligible person has a right of redress or recovery against any Third-Party.

What does first priority right of Subrogation and Reimbursement mean? It means that if the Plan pays benefits which are, in any way, compensated by a Third-Party, such as an insurance company, you agree that when a recovery is made from that Third-Party, the plan is fully reimbursed out of that recovery for the benefits the Plan previously paid. If you do not agree to the Plan's Subrogation and Reimbursement rules, benefits will not be paid.

The rights of Subrogation and Reimbursement are incorporated into this Plan for the benefit of each participant in recognition of the fact that the value of benefits provided to each participant will be maintained and enhanced by enforcement of these rights.

### Subrogation and Reimbursement - Rules for the Plan

The following rules apply to the Plan's rights of Subrogation and Reimbursement:

- a) Subrogation and Reimbursement Rights in Return for Benefits: In return for the receipt of benefits from the Plan, the eligible person agrees that the Plan has the Subrogation and Reimbursement rights as described in this Subrogation and Reimbursement section. Further, the eligible person, or the eligible member for his his/her minor dependent will sign, if requested, a form acknowledging the Plan's Subrogation and Reimbursement rights prior to payment, or further payment, of benefits. Benefits will not be paid if the eligible person refuses to sign the acknowledgment. Regardless of whether the eligible person refuses to sign the acknowledgment form, or if the acknowledgment form is not requested, the Plan's Subrogation and Reimbursement rights to benefits paid are not waived or limited in any way.
- b) Constructive Trust or Equitable Lien: The Plan's Subrogation and Reimbursement rights grant the Plan an equitable lien on the proceeds of any recovery obtained by the eligible person from a Third-Party, whether by settlement, judgment, or otherwise. When a recovery is obtained, the recovered proceeds are held in trust for the Plan. The Plan then imposes a constructive trust or equitable lien on the recovered proceeds in trust, which in no way prejudices or adversely impacts the Plan's Subrogation and Reimbursement rights. The Plan reserves the right to, among other things, pursue all available equitable actions and to offset any future benefits payable to the eligible person under the Plan.
- c) Plan Paid First: Amounts recovered or recoverable by or on the eligible person's behalf are paid to the Plan first, to the full extent of its Subrogation and Reimbursement rights, and the remaining balance, if any, to the eligible person. The Plan's Subrogation and Reimbursement right comes first even if the eligible person is not paid for all of their claims for damages. If the Plan's Subrogation and Reimbursement rights are not fully satisfied directly by a Third-Party, the Plan's right to reimbursement may be enforced to the full extent of any recovery that the eligible person may have received or may be entitled to receive from the Third-Party.
- d) Right to Take Action: The Plan's right of Subrogation and Reimbursement is an equitable one and applies to all categories of benefits paid by the Plan. The Plan and any Plan member can bring an action (including in the eligible person's name) for specific performance, injunction, or any other equitable action necessary to protect its rights in the cause of action, right of recovery, or recovery by an eligible person. The Plan will commence any action it deems appropriate against an eligible person, an attorney, or any Third-Party to protect its Subrogation and Reimbursement rights. These Subrogation and Reimbursement rights apply to claims of eligible dependents covered by the Plan regardless of whether such dependent is legally obligated for expenses of treatment.
- e) Applies to all Rights of Recovery or Causes of Action: The Plan's Subrogation and Reimbursement rights apply to any and all rights of recovery or causes of action the eligible person has or may have against any Third-Party.
- f) No Assignments: The eligible person cannot assign any rights or cause of action they may have against a Third-Party to recover medical expenses without the express written consent of the Plan.
- g) Full Cooperation: The eligible person will cooperate fully with the Plan and do nothing to prejudice or adversely affect the Plan's Subrogation and Reimbursement rights. Benefits will be denied if the eligible person does not cooperate with the Plan. Repayment to the Plan is to be made within sixty (60) days of the receipt of the settlement or judgment payment from the Third-Party.

- h) Notification to the Plan: The eligible person must promptly advise the Plan Administrator, in writing, of any claim being made against any person or entity to pay the member for their injuries, sickness, or death. Further, the eligible person must periodically update the Plan regarding the claim and notify the Plan of a settlement prior to reaching a compromise of their claims.
- i) Third-Party: Third-Party includes, but is not limited to, all individuals, entities, federal, state or local governments, and insurers (including, but not limited to, liability, medical expense, wage loss, workers' compensation, premises liability, no-fault, uninsured or underinsured motorist insurers), who reimburse, compensate or pay for a member's loss, damage, injuries, or claims relating in any way to the injury, occurrence, conditions, or circumstances leading to the Plan's payment of benefits. This right of Subrogation and Reimbursement exists regardless of whether the policy of insurance is owned by the eligible person.
- j) Apportionment, Comparative Fault, Contributory Negligence, Make-Whole, and Common-Fund Doctrines Do Not Apply: The Plan's Subrogation and Reimbursement rights include all portions of the eligible person's claim regardless of any allocation or apportionment that purports to dispose of any portion of the claims not otherwise subject to subrogation, including, but not limited to, any apportionment for pain and suffering, wage loss, partial or total disability, or to a spouse for loss of consortium. The Plan's Subrogation and Reimbursement rights are not affected, reduced, or eliminated by comparative fault, contributory negligence, the make-whole and/or common-fund doctrines, or any other equitable defenses.
- k) Attorney's Fees: The Plan will not be responsible for any attorneys' fees or costs incurred by the eligible person in any legal proceeding or claim for recovery, unless prior to incurring such fees or costs, the Trustees agree in writing to pay all or some portion of attorneys' fees or costs.
- l) Course and Scope of Employment: If the Plan has paid benefits for any injury which arises out of and in the course and scope of employment, the Plan's right of Subrogation and Reimbursement will apply to all awards or settlements received by the eligible person regardless of how the award or settlement is characterized and regardless of whether the Plan has intervened in the action. If attorneys' fees are awarded to the eligible person's attorney from the Plan's recovery, the eligible person will reimburse the Plan for the attorneys' fees.

#### **11.11 SETTLEMENT OF DISPUTE**

No Covered Person, Covered Dependent or other beneficiary shall have any right or claim to benefits from the Plan, except as specified herein. Any dispute as to eligibility, type, amount or duration of benefits under this Plan or any amendment or modification thereof shall be resolved by the Board of Trustees under and pursuant to this Plan Document. The decision of the dispute shall be final and binding upon all parties to the dispute. No action may be brought for benefits provided by this Plan or any amendment or modification thereof, or to enforce any right there under, until after the claim has been submitted to and determined by the Board of Trustees, and thereafter the only action which may be brought is one to challenge the decision of the Plan Sponsor. No such action may be brought unless brought within one year after the date of such determination.

#### **11.12 BENEFITS EXEMPT FROM ATTACHMENT**

To the full extent permitted by law, all rights and benefits under this policy are exempt from execution, attachment, garnishment, or other legal or equitable process, for the debts or liabilities of any Covered Person or any beneficiary.

#### **11.13 REGULATORY REPORTING**

The Plan Administrator shall be responsible for filing all reports and accounting which governmental regulatory bodies may require. It shall be the Board's duty and responsibility to provide the Plan Administrator with such information, upon request, as deemed necessary to prepare such required reports and accounting and to reasonably assist in the preparation of such reports and accounting to the extent requested by the Plan Administrator.

#### **11.14 INDEMNIFICATION OF TRUSTEES**

A person who accepts trusteeship duty, with respect to the Plan, shall be indemnified by the Trust against any and all liabilities arising by reason of any act or failure to act made in good faith pursuant to the provisions of the Plan, including expenses incurred in the defense of any claim relating thereto.

## CLAIM FILING PROCEDURE

**12.01** This Plan has incorporated the BlueCross BlueShield of Arizona network into the benefit program. All medical claims submitted are reviewed and repriced in accordance with the applicable negotiated fee schedule. Administrative Enterprises, Inc. (AEI) has partnered with Blue Cross Blue Shield of Arizona for electronic claims submission. Electronic claims will be routed via BCBSAZ for repricing and then will be forwarded to AEI by BCBSAZ for processing. Claims submitted via paper will be submitted directly to AEI for processing.

To be eligible for processing, all claims and claim information must be submitted in the English language. The original itemized statements must include the following:

- a) Patient name;
- b) Diagnosis;
- c) Date of service;
- d) Description of each service rendered, including procedure codes;
- e) Amount charged for each service; and
- f) The provider's signature, title/credentials, address, NPI and tax identification number.

***Balance due statements, photocopies, cash register receipts, canceled checks or credit card receipts will not be acceptable as proof of charges incurred.***

**12.02** If the Covered Person must file a claim directly to AEI, obtain and complete an AEI claim form. Claim forms can be obtained directly from Administrative Enterprises, Inc. or the employer.

**12.03** The completed claim form should be attached to the itemized statement, and submitted to AEI for processing.

**12.04** Benefits will automatically be assigned to the provider of service unless the bills are clearly marked as paid.

**12.05** Claims must be submitted to AEI on a timely basis (as stated in Article XI, Section 11.02) in order to be eligible for benefit consideration. AEI will accept charges that are submitted within twelve (12) months of the date in which the charge was incurred.

**12.06** AEI's mailing address for Medical claims:

**Administrative Enterprises, Inc.

## CLAIMS APPEAL PROCEDURE

**14.01** In the event that a claim is denied in whole or in part, the Covered Person, or his or her duly authorized representative, may:

- a) Inspect and obtain copies of the documents and information in the claim file used to deny the claim. Such requests are to be made in writing to the Claims Administrator (or the Plan Consultant for Prescription Drugs). Any actual inspection will take place during regular business hours of the Claims Administrator (or the Plan Consultant for Prescription Drugs) and at the location designated by the Claims Administrator (or the Plan Consultant for Prescription Drugs).
- b) File a written request for a review of the denied claim by submitting such request to the Claims Administrator (or the Plan Consultant for Prescription Drugs) no later than sixty (60) days from the date of the initial written denial of the claim.
- c) Submit any additional documentation to the Claims Administrator (or the Plan Consultant for Prescription Drugs) to support a request for review.

**14.02** Upon receipt of the Covered Person's written request for review, the Claims Administrator (or the Plan Consultant for Prescription Drugs) will, within thirty (30) days of receipt:

- a) Review the claim denial and all submitted documentation to determine if the claim denial was appropriate; and
- b) Provide the Covered Person a written decision concerning the claim denial review including both the specific reasons for their claim review determination and specific reference to the provisions within the Plan that controlled the decision.

**14.03** If upon review the claim is again denied, the Covered Person may appeal the denial to the Board of Trustees. The appeal must be made in writing and sent to the Employee Benefit Trust (EBT) c/o Central Arizona College's Benefit Department within sixty days of the date of written claim review decision. The Covered Person may include with their appeal any additional information or documentation not previously submitted to the Claims Administrator (or the Plan Consultant for Prescription Drugs). They may also be present by phone or in person to present their appeal, but this is not a substitute for the required written appeal. Upon receipt of the written request for appeal, the Board of Trustees, at their next regularly scheduled meeting, will:

- a) Hear the appeal and render a decision in the matter; or
- b) Designate a hearing officer to review evidence, prepare a record and present a recommendation to the Board of Trustees for decision. The Hearing Officer is appointed and will hear the appeal within forty-five (45) days. The Hearing Officer may extend the time by agreement of the parties. Upon conclusion of the Hearing, the Hearing Officer shall issue written findings and recommendations to the Board of Trustees. Within fifteen (15) calendar days of receipt of the Hearing Officer's recommendations, the Board of Trustees shall meet to render a final appeal decision.
- c) The Covered Person will be sent a written notice of the Board of Trustees final appeal decision within thirty (30) days following the Board of Trustees meeting. The decision of the Board of Trustees shall be final and binding on all parties to the dispute.

**14.04** A BlueCross BlueShield of Arizona Contracted Provider has twelve (12) months from the date of the original payment to appeal a pricing issue with BlueCross BlueShield of Arizona. If the corrected pricing is received by the Claims Administrator within thirty (30) days of the provider's appeal, a claims adjustment will be allowed.

**14.05** Any requests for review or appeal that do not comply with the procedure set forth above, or are not brought within the time limits set forth above, will not be considered for review or appeal.

## NOTICE OF PRIVACY PRACTICES

(As required by 45 Code of Federal Regulations Parts 160 & 164)

This notice describes how medical information about you may be used and disclosed, and how you can get access to this information.

Please review it carefully.

If you have any questions about this Notice please contact:  
PCCCDEBT's Privacy Officer, Central Arizona College's Benefits Specialist, at:

c/o Pinal County Community College District  
8470 North Overfield Road  
Coolidge, Arizona 85228  
(520) 494-5072

This Notice of Privacy Practices describes how we may use and disclose your protected health information to carry out treatment, payment or health care operations and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. "Protected health information" is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health conditions and provision or payment of related health care services. We are required to abide by the terms of this Notice of Privacy Practices. We may change the terms of our notice at any time. The new notice will be effective for all protected health information that we maintain at that time. We will provide you with any revised Notice of Privacy Practices upon your request to the Privacy Officer identified above. Requests may be sent to the Privacy Officer via telephone, fax, email or mailing to the numbers or addresses shown above. Alternatively, you may request any revised Notice of Privacy Practices by contacting your employer's Benefits Office.

### **A. Uses and Disclosures of Protected Health Information Without Your Consent or Authorization.**

PCCCDEBT may have access to and use your protected health information for reasons consistent with applicable provisions of federal and state law. These uses will be confined to reasons related to treatment, payment and operations. Following are examples of the types of uses and disclosures of your protected health care information that PCCCDEBT is permitted to make without your consent. These examples are not meant to be exhaustive, but to describe the types of uses and disclosures that may be made by PCCCDEBT in the course of administering the employee benefits provided to you by your employer through its membership in PCCCDEBT.

1. **Treatment:** PCCCDEBT may use and disclose your protected health information for purposes of determining the eligibility of proposed benefits for reimbursement through PCCCDEBT and, where such treatments are in fact covered under PCCCDEBT's plan of benefits, paying any and all resulting claims as presented to PCCCDEBT through its third party administrator (TPA) and in accordance with the applicable summary plan description.
2. **Payment:** Your protected health information will be used, as needed, to make payment to providers who have cared for you in accordance with the provisions of the benefit plan provided through PCCCDEBT. This may include certain activities that PCCCDEBT may undertake before it approves or pays for the health care services your physician recommends for you such as making a determination of eligibility or coverage for insurance benefits, reviewing services provided to you for medical necessity, undertaking utilization review activities and resolving appeals related to benefit and/or claims payment denials.
3. **Healthcare Operations:** We may use or disclose, as-needed, your protected health information in order to support the business activities of PCCCDEBT. These activities include, but are not limited to, placement of contracts of insurance or reinsurance, seeking reimbursement of eligible medical payments from PCCCDEBT insurers or reinsurers, seeking reimbursement or repayment from third parties via subrogation, auditing the appropriateness of claims processing or payment activity of PCCCDEBT vendors, developing and implementing health and wellness promotion programs and conducting or arranging for other PCCCDEBT business activities.

In completing treatment, payment and operational activities, PCCCDEBT may share your protected health information with third party "business associates" that perform various activities (e.g., pre-certification of certain medical procedures and hospital admissions, payment of claims and reimbursement-related activities with insurers and reinsurers) for PCCCDEBT. Whenever an arrangement between PCCCDEBT and a business associate involves the use or disclosure of your protected health information, we will have a written contract that contains terms that seek to protect the privacy of your protected health information. Further uses and disclosure of PHI without your consent or authorization is permitted for the following public policy purposes:

1. **Required By Law**: We may use or disclose your protected health information to the extent that the use or disclosure is required by law. The use or disclosure will be made in compliance with the law and will be limited to the relevant requirements of the law. You will be notified, as required by law, of any such uses or disclosures.
2. **Public Health**: We may disclose your protected health information for public health activities and purposes to a public health authority that is permitted by law to collect or receive the information. The disclosure will be made for the purpose of controlling disease, injury or disability. We may also disclose your protected health information, if directed by the public health authority, to a foreign government agency that is collaborating with the public health authority.
3. **Legal Proceedings**: We may disclose protected health information in the course of any judicial or administrative proceeding, in response to an order of a court or administrative tribunal (to the extent such disclosure is expressly authorized), in certain conditions in response to a subpoena, discovery request or other lawful process, but only if reasonable efforts have been made by the person requesting the information to tell you about the request or to obtain an order protecting the disclosure of the information requested.
4. **Law Enforcement**: We may also disclose protected health information, so long as applicable legal requirements are met, for law enforcement purposes. These law enforcement purposes include (a) legal processes and otherwise required by law; (b) limited information requests for identification and location purposes; (c) pertaining to victims of a crime; (d) suspicion that death has occurred as a result of criminal conduct; (e) in the event that a crime occurs on the premises of any medical practice through which you are receiving care or treatment; and (f) medical emergency and it is likely that a crime has occurred.
5. **Research**: We may disclose your protected health information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your protected health information.
6. **Military Activity and National Security**: When the appropriate conditions apply, we may use or disclose protected health information of individuals who are Armed Forces personnel (a) for activities deemed necessary by appropriate military command authorities; (b) for the purpose of a determination by the Department of Veterans Affairs of your eligibility for benefits; or (c) to foreign military authority if you are a member of that foreign military services. We may also disclose your protected health information to authorized federal officials for conducting national security and intelligence activities, including for the provision of protective services to the President or others legally authorized.
7. **Workers' Compensation**: Your protected health information may be disclosed by us as authorized to comply with workers' compensation laws and other similar legally established programs.
8. **Organ and Tissue Donation**: If you are an organ donor, we may disclose Protected Health Information about you to organizations that handle organ procurement or organ, eye, or tissue transplantation or to an organ donation bank, as necessary to facilitate organ tissue donation and transplantation.
9. **Psychotherapy Notice**: We will not use or disclose Protected Health Information about you contained in psychotherapy notes without your authorization except for limited circumstances to carry out the following Treatment, Payment, or Health Care Operations: (a) use by the originator of the psychotherapy notes for Treatment; (b) use or disclosure by a health care provider in training programs in which students, trainees, or practitioners in mental health learn under supervision to practice or improve their skills in group, joint, family, or individual counseling; (3) use or disclosure by the Plan to defend a legal action or other proceeding brought by you against the Plan; or (d) as permitted by the applicable HIPAA regulations.

**B. Permitted Disclosures to Family Members or Other Relatives Unless You Object**

We may disclose PHI about you to family members, other relatives, and your close personal friends if: (a) the information is directly relevant to the family or friend's involvement with your care or payment for that care; and (b) you have either agreed to the disclosure or have been given an opportunity to object and have not objected.

**C. Disclosure Upon Your Request**

Upon your request, we are required to give you access to certain Protected Health Information in order for you to inspect and copy it.

**D. Other Uses of Your Protected Health Information**

Other uses and disclosures of Protected Health Information not covered by this notice or the laws that apply to us will be made only with your written authorization. If you provide us written authorization to use or disclose Protected Health Information about you, you may revoke that written authorization, in writing, at any time. If you revoke your written authorization, we will no longer use or disclose Protected Health Information about you for the reasons covered by your written authorization. We are unable to take back any disclosures we have already made with your written authorization.

**E. Our Efforts to Safeguard Your Protected Health Information**

PCCCDEBT will implement processes and procedures in an effort to safeguard your protected health information including at least:

1. Limiting access to protected health information to the minimum number of PCCCDEBT-staff members and/or vendors who need such access in the course of PCCCDEBT operations;
2. Installing alarms and physical barriers in PCCCDEBT facilities where such information is stored;
3. Limiting the number of people from PCCCDEBT member entities who may have access to protected health information;
4. Conducting periodic training of PCCCDEBT staff and Trustees on their responsibilities relative to protected health information; and
5. Requiring PCCCDEBT vendors to execute agreements relative to their obligations pertaining to protected health information.

**F. Your Rights**

Following is a statement of your rights with respect to your protected health information and a brief description of how you may exercise these rights.

1. **You have the right to inspect and copy your protected health information.** This means you may inspect and obtain a copy of protected health information about you that is contained in a designated record set for as long as PCCCDEBT maintains the protected health information. A "designated record set" contains medical and billing records and any other records that your physician and the practice uses for making decisions about you. Under federal law, however, you may not inspect or copy the following records: psychotherapy notes; information compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding; and protected health information that is subject to law that prohibits access to protected health information. In some circumstances, you may have a right to have this decision reviewed. Please contact PCCCDEBT's Privacy Officer if you have questions about access to your medical record.

2. **You have the right to request a restriction of your protected health information.** This means you may ask us not to use or disclose any part of your protected health information for the purposes of treatment, payment or healthcare operations. You may also request that any part of your protected health information not be disclosed to family members or friends who may be involved in your care or for notification purposes as described in this Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply. PCCCDEBT is not required to agree to a restriction that you may request. If PCCCDEBT believes it is in your best interest to permit use and disclosure of your protected health information, your protected health information will not be restricted. If PCCCDEBT does agree to the requested restriction, we may not use or disclose your protected health information in violation of that restriction unless it is needed to provide emergency treatment. With this in mind, please discuss any restriction you wish to request with your physician. You may request a restriction by contacting PCCCDEBT's Privacy Officer at the address, phone or fax number shown on the first page of this notice.
3. **You have the right to request to receive confidential communications from us by alternative means or at an alternative location.** We will accommodate reasonable requests. We may also condition this accommodation by asking you for information as to how payment will be handled or specification of an alternative address or other method of contact. We will not request an explanation from you as to the basis for the request. Please make this request in writing to the Privacy Officer.
4. **You may have the right to have your physician amend your protected health information.** This means you may request an amendment of protected health information about you in a designated record set for as long as PCCCDEBT maintains this information. In certain cases, we may deny your request for an amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal. Please contact the Privacy Officer to determine if you have questions about amending your PCCCDEBT medical records.
5. **You have the right to receive an accounting of certain disclosures we have made, if any, of your protected health information.** This right applies to disclosures for purposes other than treatment, payment or healthcare operations as described in this Notice of Privacy Practices. It excludes disclosures we may have made to you, to family members or friends involved in your care, or for notification purposes. You have the right to receive specific information regarding these disclosures that occurred after April 14, 2003. You may request a shorter timeframe. The right to receive this information is subject to certain exceptions, restrictions and limitations.
6. **You have the right to obtain a paper copy of this notice from us,** upon request, even if you have agreed to accept this notice electronically.

## **G. Complaints**

You may complain to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated by PCCCDEBT. You may file a complaint by notifying the Privacy Officer. We will not retaliate against you for filing a complaint.

You may contact the Privacy Officer at (520) 494-5072 for further information about the complaint process.

This amended notice was published and becomes effective on July 01, 2010.

### NOTICE OF WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Protheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

This coverage is subject to the same deductibles and co-payments consistent with those established for other benefits under your plan.

## NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

### STATEMENT OF RIGHTS

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., the Member's physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier. Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay. In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). Pre-certification is still required for the delivery and for newborn placement in an intensive care nursery. Pre-certification is also required for any length of stay period in excess of the minimum (48 or 96 hours), even though not required for the minimum length of stay period.

## NOTICE OF PRESCRIPTION DRUG COVERAGE AND MEDICARE

### Important Notice About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Central Arizona College (CAC) and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. It has been determined that the prescription drug coverage offered by CAC is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

#### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15th through December 31st.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

Your current CAC medical coverage pays for other health expenses in addition to prescription drugs. If you and/or your dependents enroll in a Medicare drug plan, you and/or your dependents will still be eligible to receive medical and prescription drug benefits through CAC. If you and/or your dependents enroll in a Medicare drug plan, in general, the following guidelines listed below apply.

If you are an active employee, or the covered dependent of an active employee, you are required to obtain your outpatient prescription drug benefits through your CAC plan first. You can then file on a secondary basis with your Medicare drug plan.

If you are a retiree or a COBRA participant, or the covered dependent of a retiree or COBRA participant, you are required to obtain your outpatient prescription drugs through your Medicare drug plan first. Secondary coverage is not available through CAC.

**Important:** You can only waive prescription drug coverage by waiving the entire CAC medical/prescription plan coverage for yourself and your dependents. Remember, if you do waive your CAC coverage, you can only re-enroll in CAC medical plan coverage during the next Open Enrollment Period.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with CAC and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

### For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through CAC changes. You also may request a copy of this notice at any time.

### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

### "INNOVIANT" PRESCRIPTION BENEFITS SUMMARY

Innoviant is the Pharmacy Benefits Administrator for this Plan. For more information about these prescription benefits, please call the Pharmacy Benefits Administrator at 877-559-2955, or visit their website at [www.innoviant.com](http://www.innoviant.com).

#### Medicare

The Medicare Prescription Drug Improvement and Modernization Act of 2003 (MMA) provides all Medicare eligible individuals the opportunity to obtain prescription drug coverage through Medicare. Medicare eligible individuals generally must pay an additional monthly premium for this coverage. Individuals may be able to postpone enrollment in Medicare prescription drug coverage if their current drug coverage is at least as good as Medicare prescription drug coverage. If individuals decline Medicare prescription drug coverage and do not have coverage at least as good as Medicare prescription drug coverage, they may have to pay an additional monthly penalty if they choose to sign up at a later date. Medicare eligible individuals should have received a notice informing them if their current prescription drug coverage provides benefits that are at least as good as benefits provided by Medicare. For a copy of this notice, please contact the Plan Administrator.

#### Definitions

The following terms are used for the purpose of the Prescription Benefits Summary section of this SPD.

**Brand Product** means a brand name or trademark name that is typically the originator of the product. Brand status is determined by First Data Bank or another industry source and may change depending on the cost of the product as issued by its manufacturer.

**Contracted Amount** means the discounted amount negotiated by the Pharmacy Benefits Administrator with the Plan providing the prescription benefit. This amount may include applicable sales tax and pharmacy dispensing fees associated with the dispensing of any prescription.

**Generic Product** means a non-brand product that is a pharmaceutical equivalent to a brand product. Generics are typically sold at a lower cost than brand products. Generic status is determined by First Data Bank or another industry source and may change depending on the cost of the product as issued by its manufacturer.

**Medical Professional** means any person licensed under the laws of any state to prescribe and administer medicines and supplies.

**Medicine or Medication** means a substance or preparation that alleviates or treats a sickness, disease, or injury. It may be available by prescription only or over-the-counter (OTC). Medicine includes only substances and preparations that qualify as medical care under the Internal Revenue Code §213. In general, *medical care* means care for the diagnosis, cure, mitigation, treatment, or prevention of disease, or care for the purpose of affecting any structure or function of the body.

**Non-participating Pharmacy** means any retail or mail order pharmacy that is not contracted by the Pharmacy Benefits Administrator and is excluded from the network of pharmacies.

**Non-prescription Drugs** means an over-the-counter (OTC) medication or supply normally purchased without a prescription. These are prepackaged for use by the consumer and labeled in accordance with the requirements, statutes, and regulations of any state and the federal government.

**Participating Pharmacy** means any retail or mail order pharmacy that is contracted by the Pharmacy Benefits Administrator to be included in a network of pharmacies at a contracted amount.

The **Pharmacy and Therapeutics (P&T) Committee** is comprised of independent physicians and pharmacists who are organized by the Pharmacy Benefits Administrator to meet quarterly to review medications and supplies.

**Pharmacy Benefits Administrator** is an organization that manages payment for prescriptions and services under the Plan.

**Preferred Products List** means a list of products the Pharmacy and Therapeutics Committee has determined to be clinically appropriate for reimbursement at the preferred level of benefits as indicated in the Prescription Schedule of Benefits. The Pharmacy and Therapeutics Committee reviews and modifies this list periodically as new information becomes available. The Pharmacy Benefits Administrator makes a copy of the Preferred Products List available to the Plan, providers, covered persons, and pharmacists.

**Prescription** means any order authorized by a medical professional for a prescription or non-prescription drug that could be a medication or supply for the person for whom it is prescribed. The prescription must be compliant with applicable laws and regulations and identify the name of the medical professional and person for whom it is prescribed. It must also identify the name, strength, quantity, and directions for use of the medication or supply prescribed.

**Prescription Drug** means licensed medicine regulated by legislation to require a prescription before it can be obtained.

**Prior Authorization** means if a medical professional believes a covered person needs a prescription product that is on the prior authorization list or is not covered for other reasons, he or she may contact the Pharmacy Benefits Administrator to request the Plan's review of the situation. A medical professional then provides the Pharmacy Benefits Administrator required information on the covered person's medical condition so the Plan can properly evaluate the covered person's need for the requested product(s). Upon review by a licensed pharmacist, the Pharmacy Benefits Administrator may do one of the following:

- Approve the medical professional's request and authorize coverage of the medication for the covered person for a certain period of time at the appropriate co-pay.
- Recommend an alternate medication for consideration by the medical professional.
- Deny the request to cover the requested medication.

If the prescription medication the covered person needs requires prior authorization and he or she cannot wait for the prior authorization review to take place, the covered person may request a drug sample from the medical professional. If a sample is not available, the pharmacy may provide the covered person with a short-term supply (such as a 5-day supply) while the prior authorization review is taking place. The covered person is responsible for the co-pay at this time. In this instance, the co-pay is not credited towards the prescription if the prior authorization is approved and the medication is dispensed at a later date.

### **Program Information**

**Concurrent Therapy** means that a covered person's prescription claim history is used to allow payment for certain medications only when he or she is taking concurrently indicated medication(s). Certain medications are indicated for use only when the covered person is also taking a second medication at the same time. This program allows authorization with minimal disruption to covered persons with FDA approved indications for treatment.

**DACON, or Daily Allowable Consumption**, (also referred to as dose over time) means limiting the quantity of certain medications that are available in multiple dosage strengths and are routinely intended for once daily administration. In cases where the daily prescribed dose may be dispensed using one dosage unit instead of two or more units, the quantity allowed is limited to one dosage unit per day.

**Quantity Limits** means limiting the dispensing quantities applied to medications that are appropriate for acute use. Quantity limits are designed to provide sufficient amounts to treat one or more acute episodes. They are established based on Food and Drug Administration (FDA) guidelines, clinical recommendations published in peer review journals, and manufacturer packaging and labeling instructions. Some quantity limits are based on the number of units per dispensing while others are specified as a per month limit. The Pharmacy and Therapeutics Committee or Pharmacy Benefits Administrator reviews and modifies the quantity limits list periodically as new information becomes available.

**Prior Authorization List** means a list of prescription products that are FDA approved for a specific diagnosis or as second line therapy. The Pharmacy and Therapeutics Committee identifies the list, and the Pharmacy Benefits Administrator requires information from the medical professional to determine the appropriate level of coverage. The Pharmacy and Therapeutics Committee or Pharmacy Benefits Administrator reviews and modifies the prior authorization list periodically as new information becomes available.

**Retail 90 Rx** means a program that allows a covered person to fill a three-month supply (at least 84 days) of his or her prescription drug at a retail pharmacy with a reduced ingredient cost. The number of days supplied to the covered person is three times the days supplied for a traditional monthly prescription. The pharmacy network for Retail 90 Rx is limited and is not the full pharmacy network Innoviant currently administers. Prescription drug supplies for between 35 and 83 days are not available through this program. Covered persons must either elect to receive the traditional one-month supply or a three-month supply under Retail 90 Rx.

**RxOTC** means a program that provides the option of covering three over-the-counter (OTC) medications traditionally excluded from prescription benefit programs: loratadine (the generic of Alavert for allergy symptoms), cetirizine (the generic of Zyrtec for allergy symptoms) and Prilosec OTC for stomach acid relief. The program is available at no additional cost. Through it, members may receive loratadine, cetirizine or the proton pump inhibitor (PPI) Prilosec OTC, which are proven, safe, effective alternatives for a generic co-pay amount with a valid prescription.

### **Covered Expenses**

The Plan will pay for covered expenses (including dispensing fees) for prescription products incurred by a covered person in accordance with the Prescription Schedule of Benefits and at the contracted amount minus the co-pay.

Expenses are not paid for prescription products purchased before coverage with this Plan begins or after coverage under this Plan or provision terminates.

### **Covered Benefits**

The following are considered covered benefits:

1. **Prescription products that are:**
  - Necessary for the care and treatment of an illness or injury and prescribed by a duly licensed medical professional; and
  - Can be obtained only by prescription and dispensed in a container labeled "Rx only"; and
  - The following non-prescription products prescribed by a duly licensed medical professional:
    - + Compounded medications of which at least one ingredient is a prescription drug;
    - + Any other medications which, due to state law, may only be dispensed when prescribed by a duly licensed medical professional; and
    - + Non-prescription, or over-the-counter, products determined by the Pharmacy and Therapeutics Committee to be appropriate for coverage when accompanied by a prescription; and
    - + In an amount that does not exceed the day's supply outlined in the Prescription Schedule of Benefits.
2. **Injectable insulin and the following diabetic supplies** as prescribed by a duly licensed medical professional:
  - Lancets, alcohol swabs, reaction treating tablets, blood glucose monitors, urine test strips, blood test strips, insulin syringes and needles and anti-diabetic products.
3. **Non-combination Prescription** requiring products containing folic acid or vitamins A, D, E or K.
4. **Prescription prenatal vitamins.**
5. **Prescription drugs obtained in a foreign country** when a Foreign Claim Form is signed. Retail brand discounts and preferred brand co-pays will apply.
6. **Prescription smoking deterrent products.** Not to exceed 84 days supply per individual for a lifetime.
7. **Contraceptive products** which are self-administered and limited to oral tablets, patches, and self-insertable vaginal devices containing contraceptive hormones regardless of the purpose.
8. **Prescription products used to enhance sexual function or satisfaction**
9. **Prescription drugs lost as a direct result of a natural disaster.** Covered persons will be given the opportunity to prove that medically necessary prescriptions were lost due to a natural disaster. Acceptable proof could include, but is not necessarily limited to, proof of other filed claims of loss (homeowner's, property, etc.).

## **Prescription Product Exclusions**

Benefits will NOT be provided for any of the following:

- Charges in excess of the contracted amount.
- Therapeutic devices or appliances, including hypodermic needles, syringes (except as stated above), support garments, and other non-medical substances, without regard to their intended use.
- Immunization agents, biological sera, blood, or blood plasma.
- Products labeled as/for any of the following: "Caution-limited by federal law to investigational use", experimental drugs (even if a charge is made to the covered person), approved prescription products prescribed for experimental or investigational purposes, and products prescribed in experimental or investigational dosages.
- Any charge for the administration of prescription products.
- Any medication, prescription, or non-prescription taken or administered at the place where it is dispensed.
- Any medication meant to be taken by or administered to the covered person, in whole or in part, while the covered person is treated at a hospital, physician's office, or extended care facility (but is instead self-administered or administered elsewhere), unless expressly designated by the Pharmacy Benefits Administrator.
- Refilling a prescription in excess of the number specified on the prescription or any refill dispensed after one year from the order of the medical professional.
- Prescription products not dispensed by a licensed pharmacist or medical professional.
- Prescription products dispensed in a foreign country if the covered person traveled solely for the purpose of re-importing prescription drugs into the United States and/or used other means to ship or bring prescription products from a foreign country into the United States.
- Prescriptions that are cosmetic in nature unless the prescription is necessary to ameliorate a deformity arising from or directly related to: a congenital abnormality, personal injury resulting from an accident or trauma, or a disfiguring disease.
- Prescription products that may be received without charge under local, state, or federal programs, including worker's compensation.
- Replacement prescription products resulting from loss, theft, or damage, except in the case of loss due directly to a natural disaster.
- Rogaine or any other cosmetic hair growth prescription products.
- Prescription products when a prior authorization is needed but not requested; and prescription products when a prior authorization is requested but denied.
- Anabolic steroids.
- Prescription products available over-the-counter that, by federal or state law, do not require a prescription order and any medications that are equivalent to over-the-counter medications unless the product is a non-prescription (or over-the-counter) product determined by the Pharmacy and Therapeutics Committee to be appropriate for coverage when accompanied by a prescription.
- Anorectics or any other products used for the purpose of weight control unless criteria for PA approval is met. Maximum term of therapy is six months per individual per year.
- Prescription topical acne products for a covered person over age 26, unless determined medically necessary by the Plan.
- Approved prescription products with no approved Food and Drug Administration (FDA) indications for the purpose for which prescribed.
- Oral medications for cosmetic management of onychomycosis, unless determined Medically Necessary by the Plan.
- Infertility products, unless used to sustain a covered person's pregnancy.
- Prescription products that are determined by the Pharmaceutical and Therapeutics Committee to be either marginally effective and/or are excessive in cost when compared to alternative medication(s) for the same condition.
- Growth hormone products, unless determined medically necessary by the Plan.
- All illegal medications or supplies, even if prescribed by a duly licensed medical professional.

The covered person still has a right to purchase excluded products, even if the requested medication or supply is not covered; however, the entire cost of the product will be the covered person's responsibility.

### **Pharmacy and Therapeutics Committee Product Reviews**

The Pharmacy and Therapeutics Committee may, in its professional judgment, modify medications and supplies on the Preferred Products List as follows:

- Place products on the Preferred Products List and remove products from the Preferred Products List.
- Place certain products on the prior authorization list and remove products from the prior authorization list.
- Place certain categories of products on a step therapy program and remove products from the step therapy program.
- Categorize certain non-prescription products (over-the-counter products) as a covered expense.
- Place medications into and remove medications from the specialty pharmacy program.

Actions by the Pharmacy and Therapeutics Committee take place quarterly, as medical technology evolves, as indications, or FDA guidelines change.

The Pharmacy Benefits Administrator will inform covered persons of the actions taken by the Pharmacy and Therapeutics Committee as appropriate, including when benefits under this Plan are affected.

### **Coordination of Benefits**

This Plan does not coordinate prescription benefits.

## MEDICAID (AHCCCS) & THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

### **Medicaid (AHCCCS) and the Children's Health Insurance Program (CHIP) Offer Free Or Low-Cost Health Coverage To Children And Families**

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid (AHCCCS in Arizona) or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid (AHCCCS) or CHIP, you can contact the Arizona Medicaid (AHCCCS) or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid (AHCCCS) or CHIP, and you think you or any of your dependents might be eligible for either of these programs you can contact:

#### **ARIZONA – CHIP**

Website: <http://www.azahcccs.gov/applicants/default.aspx>

Phone: 602-417-5422

Or

Dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov)  
to find out how to apply

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid (AHCCCS) or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan – as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**
